

Graduate Credit

Student can earn graduate credit for a course only if

1. the course has been approved for graduate credit and
2. they have been accepted, through an official letter of admission, into the Graduate School of Management.

Students taking courses while in non-degree status may request the transfer of credits to their degree program (See the Transfer of Credit section (<https://bulletin.marquette.edu/policies/transfer-course-credit-policy/management/>)).

Graduate credit may be earned for curriculum approved 5000-level courses and above. Students are encouraged to seek advising prior to registering for courses outside their curriculum to verify they meet program requirements.

Student may not register for a 5000- or 6000-level course unless admitted to the Graduate School of Management or have the approval of the student's home college and the department offering the course.
