

College of Health Sciences Policies

Students in the College of Health Sciences are expected to comply with the academic requirements and policies listed in the university section (<https://bulletin.marquette.edu/policies/>) of this bulletin and must fulfill the graduation requirements stated in the bulletin in effect the year they entered Marquette.

Students who have interrupted their enrollment from the university typically follow the degree requirements listed in the bulletin in effect during the academic year of their return. Policies and regulations in effect at the time of return apply to all students, regardless of the term of their initial enrollment.

It is the responsibility of students to know and fulfill all university, college/department cognates and major requirements.

While the principal policies and procedures of the college are contained in this section of the bulletin, questions concerning other regulations should be directed to the college or relevant department office.
