Welcome!

The College of Health Sciences features nationally recognized and ranked professional and graduate programs in Physical Therapy, Physician Assistant Studies, Speech and Language Pathology, Athletic Training, Clinical and Translational Rehabilitation Health Science, and Neuroscience. In addition, the College of Health Sciences offers a certificate in Clinical Laboratory Science and a Biomedical Sciences Pre-Dental enhancement program. From state-of-the-art research laboratory and teaching facilities to many health profession and service organizations, our students find abundant opportunity to interact with faculty scholars who are passionate about teaching, research and service.

Our mission to provide distinctive and rigorous educational programs is complemented by our location in the heart of the city of Milwaukee, where opportunities to take advantage of first rate health and medical settings abound. Moreover, you can expect excellence from our faculty, and will be in elite company among our academically talented students. Whether through outstanding professional programs of study or in exceptional graduate education, our dedicated faculty and committed students have created a truly vibrant academic environment that's waiting for you.

Sincerely,

William E. Cullinan, Ph.D.  
Dean, College of Health Sciences

## College Mission Statement

The College of Health Sciences has the mission of preparing students for careers in the health sciences and as health care providers. It is dedicated to improving health care by educating excellent, ethical health care professionals through a program of teaching, research and service. Students are instilled with the Jesuit ideals of concern for the spiritual, emotional and physical development of the individual as well as a lifelong commitment to leadership in the advancement of their personal skills and profession.
