Facilities

The Ralph C. Hartman Literacy and Learning Center

The Hartman Literacy and Learning Center (http://www.marquette.edu/education/centers_clinics/hlc.shtml) is a facility within the College of Education, which supports undergraduate literacy related programs. The center library houses a children's literature collection, which is used by College of Education students as well as children participating in the center’s after school tutoring program, collaborations between the university and neighborhood elementary schools. Students enrolled in EDUC 4964 Practicum: Teaching Elementary Level Reading participate by tutoring small groups of children in reading and writing after school. The Hartman Literacy and Learning Center provides faculty and staff to support and conduct research.
