Academic Regulations

Students in the Diederich College of Communication are expected to comply with the academic requirements and regulations listed in the university section of this bulletin (http://bulletin.marquette.edu/undergrad/academicregulations) and must fulfill the graduation requirements stated in the bulletin issued the year they entered Marquette. Students who have interrupted their enrollment for two or more consecutive terms, follow the requirements and regulations listed in the bulletin in effect during the academic year of their return. (Exceptions are made for students who interrupted their enrollment to serve in the Armed Forces).

Academic Dishonesty

The college adheres to the University Academic Integrity Policy (http://bulletin.marquette.edu/undergrad/academicregulations/#academicintegrity) found in the university section of this bulletin. Ethical behavior is essential to any communication professional and it is expected of students in the Diederich College of Communication. Cheating, plagiarism, unapproved collaboration or falsifying work in whole or in part are infractions that can result in a failing grade for an assignment and/or a course or even dismissal from the college.

Academic Dismissal/Probation/Academic Alert (CAA)

Academic Dismissal

The Diederich College of Communication adheres to the University Academic Censure Policy (http://bulletin.marquette.edu/undergrad/academicregulations/#academiccensureprobationdismissalacademicalert).

Students admitted to the Diederich College of Communication are expected to meet college academic standards. Academic performance is monitored carefully by the college, and students who fail to maintain steady progress or demonstrate adequate achievement are subject to academic censure.

In addition, any internal transfer student who has his/her ‘Required to Withdraw for Academic Reasons’ appeal approved by the college is reinstated or readmitted as an undeclared major on probation for a minimum of one term and special conditions are prescribed in writing at the time of the student’s transfer into the college. The internal transfer student who fails to fulfill the specified terms of the conditions, is required to withdraw for academic reasons at the end of the term and there is no guarantee any future appeal will be upheld.

Academic Probation

Undergraduate students in academic difficulty are placed on academic probation by the Diederich College of Communication. Students in the college are expected to maintain a C (2.000) academic average overall, and those who earn a GPA below 2.000 for the term or otherwise fail to maintain progress necessary to meet university and college graduation requirements are subject to academic censure. A student on academic probation is directed as to what academic outcome they are expected to attain in the subsequent term to continue enrollment.

College Academic Alert (CAA)

Students admitted to the Diederich College of Communication are expected to meet college academic standards and maintain good academic standing. Academic performance is monitored carefully by the Committee on Scholastic Actions, and students either not maintaining steady progress or not demonstrating adequate achievement will be barred from future registration by a College Academic Alert (CAA) registration hold. That is,

The bases for committee review are:

• grade point average (GPA) deficiency
• inadequate progress
• grades of C-, D+, D, F, I, W, WA, WF, UW or ADW
• the number of terms on college probation
• the violation of special conditions

Therefore, it is possible that a student will be barred from registration by a CAA even though the student’s cumulative GPA exceeds 2.000. Students concerned about their academic progress should consult the college office.

Students placed on CAA status are notified by letter or email of the committee’s decision and of the appeal process. If an appeal is approved, special conditions may be prescribed in writing at the time of the student’s reinstatement or readmission into the college. Conditions may also be prescribed in writing in the case of a student whose course performance or failure to follow academic advice warrants such action. All students to whom conditions have been specified are subject to committee review and possible CAA restriction should they fail to fulfill the specified terms. In addition, any internal transfer student who has their CAA appeal approved by the college are reinstated or readmitted as an undeclared major on probation for a minimum of one term and special conditions are prescribed in writing at the time of the transfer into the college. The internal transfer student who fails to fulfill the specified terms of the conditions, is subject to CAA restriction at the end of the term and there is no guarantee any future appeal will be upheld.
If a student’s appeal is denied, the student may request to enroll in another college via the process outlined in the University Academic Censure Policy (http://bulletin.marquette.edu/undergrad/academicregulations/#AcademicCensure) of this bulletin, and if accepted, the CAA hold will be removed after transfer into the new college.

Unless the CAA is removed via the individual colleges’ appeal process, the student may not register for courses at Marquette and may be dropped from any classes for future terms in which they are registered.

Advisers

Each student in the college is assigned a faculty adviser with whom the student should confer at least once each term. Among other duties, the faculty advisers assist students in planning and accomplishing their programs of study. However, it is wholly each student’s responsibility to know and fulfill the requirements for graduation specified for their selected program.

Attendance

Because absence from class prevents a student from getting the full benefit of a course and because in many courses, each student’s involvement contributes to the learning process for all other students in the class, the college has adopted the University Attendance Policy (http://bulletin.marquette.edu/undergrad/academicregulations) for all of its undergraduate courses.

Background Checks, Drug Testing

Some degrees, majors and/or courses may require a student to submit to a criminal background check and/or drug testing. The results of those checks and/or tests may affect the student’s eligibility to continue in that degree, major and/or course.

C-, D+ and D Grades

Grades of C- and above in courses offered by the Diederich College of Communication are accepted toward majors and/or minors offered by the college, provided the student has a minimum grade point average of 2.000 in the major or minor. Grades of D+ or D generally do not fulfill the credit hour requirement for a major or minor in the Diederich College. Students who received a grade of D+ or D in a Diederich College of Communication course should contact the department chair, who determines whether the course can be accepted. If not accepted, the chair can suggest that the course be repeated or replaced by a substitute course. If a student receives a grade below a C in a major or minor course offered by another college on campus, that department chair must be consulted. Credit is given only once for repeated courses. See the University Repeated Courses Policy (http://bulletin.marquette.edu/undergrad/academicregulations/#repeatedcourses).

Professional Standards

All written work and oral presentations produced by students in all classes under the jurisdiction of the Diederich College of Communication are expected to conform to professional standards of lucidity, coherence, grammar, spelling and punctuation. All instructors in all classes under the jurisdiction of the college consider the factors listed above, as well as substance, in grading written and oral presentations.

Other Academic Regulations

For information on additional university regulations, consult the Academic Regulations (http://bulletin.marquette.edu/undergrad/academicregulations) section in this bulletin.

Accreditation

The college’s theatre arts program is accredited by the National Association of Schools of Theatre.
