

About the Bulletin

The Marquette University bulletin governs curricular requirements for all students entering Marquette University programs during a given academic year. The curricular requirements for all active academic programs are outlined herein and are applicable to new students and readmitted students who have stopped out for more than one year. All academic policy and course additional/revisions apply to all students as of the date they become effective, regardless of whether they were in effect at the time the student initially enrolled at Marquette. Students are responsible for all content contained herein and are encouraged to consult with their advisers throughout their tenure at Marquette. This bulletin is archived at the end of the academic year and continues to be available online. The university reserves the right to amend any of its academic programs, requirements for degrees, tuition, fees, etc., at any time, in its sole discretion.
