Tuition, Fees and Housing

The staff in Marquette Central is dedicated to serving our students and families in a professional and friendly manner while following the policies and procedures set forth by the university. The office provides accurate and timely information about student accounts while encouraging our students to be active participants in managing their account.

Marquette University sends a monthly electronic billing statement to students that have account balances. Student may also view their e-bill via CheckMarq. Payment due dates are available on the Marquette Central website (https://www.marquette.edu/central/). The final step to complete registration is payment in full of all fees for the term. It is the responsibility of students to pay tuition, fees and housing by the published due date whether they receive a bill or not.

Students who do not plan to attend the university are responsible for dropping classes through CheckMarq and notifying their respective college office. All courses for which students are officially registered as of the close of registration are subject to tuition, fee assessment and payment, and as such appear as part of their permanent record even if they do not attend any class periods. To avoid unnecessary charges and permanent failing or withdrawn grades on their permanent record, it is the responsibility of students to review their official registration prior to the end of registration for the session in which the course is scheduled and ensure it accurately reflects the courses in which they intend to be enrolled. Students assume responsibility for the consequences that ensue as a result of any failed or withdrawal grade. These consequences include, but are not limited to: a delay in graduation, dismissal from the degree program, external institutions/entities viewing these grades as failing grades, loss of eligibility for certain scholarships and/or financial aid, loss of full-time status and/or loss of a refund.

Registration is not considered complete until all tuition and fees are paid, the student enrolls in the Marquette Monthly Payment Plan (http://www.marquette.edu/mucentral/bursar/payment_plans_index.shtml), or the student submits a billing authorization from an approved sponsor. Students whose accounts reflect that the payment has not been made, or that are otherwise delinquent have a registration block, transcript block and diploma block placed on their accounts. There is a $100.00 fee for the removal of the block. Failure to pay any balance when due may result in the cancellation of their registration for the current academic term, referral of the account to a collection agency, legal action to collect any balance due or any combination thereof. If the university must take legal action to collect any unpaid balance, students are responsible for all fees and costs incurred by the university to collect the unpaid balance.
