Spanish Language, Literature and Culture, BA

The Spanish program at Marquette provides students with the opportunity to develop linguistic proficiency in one of the most widely spoken languages in the world while learning about the rich and diverse cultures of Latin America, Spain and the Latino communities in the United States. The goal of the undergraduate program is twofold: to master all four skills of language acquisition (speaking, understanding, reading and writing), and to gain in-depth knowledge of content areas related to language, linguistics, literature, culture and film of the Spanish-speaking world. Majors in Spanish may combine studies with other disciplines in the humanities, social sciences or sciences. Students considering careers in communication, education, government, international business, law or medicine are particularly encouraged to pursue a double major or a minor in Spanish.

Two majors are offered: Spanish Language, Literature, and Culture, with a special concentration for Education majors; and Spanish for the Professions, with concentrations in either Business or Health. Both majors offer courses designed to meet the needs of heritage and native speakers of Spanish.

The Klingler College of Arts and Sciences also offers an Interdisciplinary Latin American Studies major (https://bulletin.marquette.edu/arts-sciences/latin-american-studies-ba/) or minor (https://bulletin.marquette.edu/arts-sciences/latin-american-studies-minor/) and an Interdisciplinary Latinx Studies minor (https://bulletin.marquette.edu/arts-sciences/latinx-studies-minor/) for those students who would like to combine their language skills with other disciplines.

Notes:

- **Heritage learners of Spanish** are students of Hispanic background who have been educated in the United States and have been exposed to Spanish in their homes or communities from an early age, but who consider English their primary language. When noted, choose courses indicated for heritage speakers of Spanish.

- **Native speakers of Spanish** have been primarily educated in Spanish and consider Spanish their first language. When noted, choose courses indicated for native speakers of Spanish.

- **Electives**: These are upper-division courses at the 3000 and 4000 levels which were not previously taken to fulfill a requirement. Where there are options listed, if a student wanted to take both instead of choosing only one, such as SPAN 4515 and SPAN 4520, one course could be used to fulfill the requirement and the other course to fulfill an elective. In other cases, however, elective course requirements cannot be fulfilled by courses completed in fulfillment of other program requirements. Native Speakers of Spanish must take one additional elective because they may not take SPAN 3001 or SPAN 3005.

Degree Requirements

The College of Arts and Sciences curricular requirements are organized around these essential components:

- The development of fundamental skills of critical inquiry, analysis and expression.

- The development of appreciation for the spiritual and creative dimensions of human life and culture.

- The development of a responsible commitment to the broader social and political communities in which we live.

The college challenges students to embrace, seek to understand and engage actively in the complexities of the world in which we live. Courses in the Marquette Core Curriculum (MCC), drawn from the different disciplines within the humanities, natural sciences and social sciences, provide multiple perspectives and methods of inquiry. The MCC serves as the foundation for the intellectual growth of our students as they pursue their majors and professional disciplines, and as they develop into men and women who dedicate their lives to the service of others.

Courses in the majors provide in depth knowledge and skills concerning a particular area of study. The college offers a wide variety of discipline-based majors in the Humanities (English, History, Philosophy, Theology and Languages, Literatures and Cultures); in the Social Sciences (Anthropology, Criminology and Law, Economics, Political Science, Psychology, Sociology and Social Welfare and Justice); and in the Sciences (Biology, Chemistry, Physics, Math, Statistics and Computer Science). In addition, a wide range of majors and minors are offered in interdisciplinary areas of study including Africana Studies, Bioinformatics, Cognitive Science and Gender and Sexualities Studies, among others.

The combination of courses required by the Marquette Core Curriculum and individual majors in the College of Arts and Sciences ensures that students are educated both broadly and deeply, in keeping with long-standing Jesuit educational ideals and principles.

First-Year Seminar

Students are required to complete ARSC 1953 Exploring Arts and Sciences during the fall term of their first year at Marquette. Students in the Honors Program are exempt from this requirement. Advanced standing transfer students who have completed a similar course at another institution may ask the college to waive the requirement.

Second Language Requirement

The Klingler College of Arts and Sciences requires knowledge of a language other than English for the bachelor of arts degree. This ensures that students are able to succeed in an increasingly globalized and rapidly changing world. The study of languages is the starting point for exploration.
and understanding of diverse cultures and traditions. Contacts between cultures happen in our own lives every day, and more often than ever before: knowing a second language is essential for being part of a global society. Our language programs in American Sign Language, Arabic, Chinese, French, German, Italian and Spanish prepare students to interact effectively and engage other people and cultures in the most human way possible. Students of Classical languages encounter Greek and Roman civilization as something that is very much a living part of our culture today (philosophy, theater, poetry, medicine, politics and much more).

Proficiency in a language other than English enables students to:

- Converse with ease and confidence when dealing with most routine tasks and social situations.
- Handle successfully many uncomplicated tasks and social situations related to work, school, recreation and personal interests.
- Begin to narrate and describe in the past, present and future time frames.
- Begin to describe how culture shapes and sustains identity, society and tradition.

**Assessment and Demonstration of Proficiency**

Students are required to demonstrate proficiency in a second language at the intermediate level (usually requiring 0-15 credits of course work, depending on the student’s proficiency upon entering the university), according to the standard of the American Council for the Teaching of Foreign Languages. Upon entering the university, students with previous study of a second language are assessed using a placement test. Those earning a score at the intermediate level are considered to have satisfied the second language requirement. Those who do not achieve proficiency through the test satisfy the requirement as follows:

Students studying **French, German or Spanish** typically complete courses 1003, and 2001 (or 2003), or 2001 (or 2003) only, depending on their language and score. True beginners should complete courses 1001 and 1002 instead of course 1003 where the option is available.

Students studying **American Sign Language, Arabic, Chinese, Greek, Latin or Italian** complete courses 1001 and 1002.

**Note:** The Marquette Core Curriculum does not have a second language requirement.

**Note:** The College of Arts and Sciences bachelor of science degree does not have a second language requirement.

**Bulletin Year and Degree Audit**

Undergraduate students must meet the graduation requirements that are outlined in the Undergraduate Bulletin in effect the year in which they enter Marquette. Substitutions or waivers for specific courses that are required for degree completion may occur, as determined by the Klingler College of Arts and Sciences.

Students who interrupt their enrollment from the university follow the degree requirements from the bulletin in effect during the academic year of their readmission. In rare cases, the college may determine that readmitted students fall under a different set of degree requirements than the academic year in which they are readmitted. Policies and regulations in effect at the time of return apply to all students, regardless of the term of initial enrollment.

It is the responsibility of students to know and fulfill the requirements for graduation specified for the selected plan. Students are encouraged to use the Academic Advisement degree audit system, which is accessed via their Student Center and tracks courses that have been completed, as well as the Marquette Core Curriculum, college curricular requirements and major/minor requirements toward degree completion.

**Grade Point**

- Earn a minimum grade point average of 2.000 for graduation.
- Achieve a 2.000 grade point average in all courses in the major or minor.

**Credit Hours**

- Complete a minimum of 42 credit hours in upper-division courses, ten of these credits may be non-Marquette credits (lower-division courses are numbered 1000 to 2999; upper-division courses are numbered 3000 and above).

**Other Requirements for Graduation**

- Complete the formal online application for graduation available in the CheckMarq Student Center (https://checkmarq.mu.edu/), by the specific term deadlines for application, as published in the Academic Calendar (https://bulletin.marquette.edu/undergrad/academiccalendar/).
- The college adheres to the University Commencement Policy (https://bulletin.marquette.edu/policies/commencement/).

Although most students can fulfill the Marquette Core Curriculum requirements, the college curricular requirements, their major requirements and elective courses without exceeding 120 credits, certain combinations of major and minor fields may require more than the minimum. Students are urged, therefore, to consult an adviser before selecting a major and any additional majors or minors.
It is the responsibility of students to know and to fulfill all university, Klingler College of Arts and Sciences and major department requirements (See the corresponding sections of this bulletin for additional information regarding the Marquette Core Curriculum, university graduation and residency requirements, college curricular requirements and department major and minor requirements).

University Graduation Requirement

Undergraduate Graduation Policy

Students are required to graduate at the end of the term in which all degree requirements are completed. Degree requirements are those requirements, including university, college and all other requirements necessary to earn a minimum of one undergraduate degree and any declared degrees/majors/minors/concentrations. That is, additional degrees/majors/minors/concentrations may be earned; however, they must be completed in the same term as the first degree/primary major is completed. Except in the case of readmission, undergraduate students must meet the graduation requirements which are stated in the Undergraduate Bulletin issued for the year in which they entered Marquette. Substitutions or waivers for specific courses required for degree completion may occur, as determined by the college and/or the Marquette Core Curriculum committee.

Students who have interrupted their enrollment from the university, are normally obliged to follow the degree/major/minor/concentration requirements in effect at the time of readmission. Policies that are in effect at the time of the return, apply to all students, regardless of the term of initial enrollment. Students are responsible for keeping themselves informed of the requirements which apply in their particular cases. Students have faculty advisers available who assist in planning and implementing their plan of studies; however, it is ultimately each student’s responsibility to know and fulfill the requirements for graduation specified for the selected plan. This should be done not only by utilization of specific advisers, but also with Academic Advisement, the university’s online degree audit tool on CheckMarq provided to all undergraduates. With Academic Advisement, students track their degree progress until graduation. It is the responsibility of students to immediately bring any discrepancies found in Academic Advisement to the attention of their college.

A candidate for a baccalaureate degree must meet the following graduation requirements:

1. In all undergraduate colleges and programs, a minimum of 120 credits earned and a cumulative grade point average of 2.000 is required for a Marquette undergraduate degree.
2. Credits required to be completed in residence at Marquette:
   a. A minimum of 45 total credits must be completed at Marquette. Up to 15 of the 45 credits may be completed through an approved study abroad program.
   b. A minimum of 32 upper-division credits must be completed at Marquette. This may include upper-division credits from an approved study abroad program.
   c. The final 30 credits needed to complete a Marquette undergraduate degree must be completed at Marquette, unless those credits are earned in an approved study abroad program, or are earned as part of a written/contractual agreement with another institution, in which Marquette students participate during the final year of their degree program.
   d. A minimum of one-half of credits in the major, minor, and concentration not attached to a major must be completed at Marquette.
3. Students must attend all courses, lectures, or any other exercises that are required, even though, in some cases such activities receive no recognition in terms of credit hours.
4. Students' records must be cleared of all grades that are not permanent, i.e., grades of I, IC, IE and NG.
5. Students must file the online application for a degree by the deadline published in the Academic Calendar (https://www.marquette.edu/central/registrar/calendars-exams-schedules.php); however, because students are required to graduate at the end of the term in which all university, degree requirements are complete, the university reserves the right to graduate a student without a graduation application on file. If the university exercises this option, there is no guarantee students will be able to participate in Commencement.
6. Commencement is held in May, after the spring term. Participation in Commencement does not mean students are graduated. See the Commencement Policy (https://bulletin.marquette.edu/policies/commencement/) in this section for further details.
7. Exceptions to this Graduation Requirements policy must be approved by the Office of the Provost, except:
   a. the course and bulletin year exceptions listed in the 'Graduation Requirements' section above (as approved by the college)
   b. number 3 above (as approved by the college)
   c. the dean's office in the college where the student's program resides may exempt up to 6 of the final 30 credits from being completed in residence (number 2c above)

For additional college requirements, consult the Degree Requirements listed for each undergraduate program in this bulletin.

Special Note for 2023-2024: Students who attended Cardinal Stritch University in a bachelor's degree program during the 2022-2023 year and directly transfer to a bachelor's degree program at Marquette University in Fall 2023 or Spring 2024 with fewer than 45 credits remaining in their Marquette program are exempted from the standard Marquette residency requirement (items 2-6 listed above). In lieu of the standard residency requirement, exempted students must complete all remaining credits for their undergraduate degree at Marquette. Exempted students are expected to remain continuously enrolled (fall and spring terms) at Marquette until the completion of their bachelor's degree.
Graduation Latin Honors

The grade point average is used to compute graduation Latin honors. The computation is made by dividing the total number of grade points earned at Marquette University by the total number of grade point hours earned. The official Marquette GPA of all students is calculated by the student information system and this GPA is not rounded up or down for any reason. To graduate with Latin honors, candidates must be pursuing their first bachelor's degree, earned at least 60 grade point hours and 60 degree hours at Marquette University, normally as a junior and senior. First bachelor's degree is defined as the first bachelor's degree earned from any institution. When students earn a concurrent additional bachelor's degree (i.e., finish in the same term as the first bachelor's degree), the additional degree is also eligible for Graduation Latin Honors, if the first bachelor's degree qualifies.

Graduates whose grade point average is 3.500, graduate with cum laude (Latin for 'with honor'); graduates whose grade point average is 3.700, graduate with magna cum laude (Latin for 'with great honor'); and graduates whose grade point average is 3.900, graduate with summa cum laude (Latin for 'with highest honor'). Graduation Latin honors are recorded on diplomas, noted in the published lists of graduates at Commencement and recorded on students' transcript.

Graduation Record

The academic record of students is frozen once the degree is posted and may not be altered thereafter, unless required to do so by law and/or a documented university error is discovered after the degree is posted. This includes, but is not limited to: all relevant grade point averages, grades, additional information relating to the degree(s), major(s), minor(s), concentration(s), Latin Honors and academic censure.

1 Honors (H) designation of same course number also fulfills MCC requirement.
Discovery Tier - 12 Credits

Students must complete four Discovery Tier courses, all from the same Discovery Theme. These four courses must include one course from each of the three content areas (Humanities, Natural Science and Mathematics, and Social Science), and one elective (an additional course from any of the three content areas). A maximum of two courses in the Discovery Tier can be applied toward a primary major. Additional dual counting may be allowed towards college-level requirements.

Students declare their Discovery Theme using the Discovery Tier Declaration Form (https://www.marquette.edu/central/registrar/how-do-i-declare-change-mcc-discovery-tier-theme.php) in CheckMarq.

For students who participate in a full-time (12 credits or more) Marquette-approved study abroad program, one study abroad course (minimum 2.5 transfer credits awarded) may fulfill the elective requirement of the Discovery Tier. Any additional MCC requirements may be fulfilled only when the approved transfer equivalent is an exact match to a specific MCC course.

Discovery Themes

The five discovery theme options are listed below. See additional information and course listings (https://bulletin.marquette.edu/resources-opportunities/marquette-core-curriculum/#discoverythemestext).

- Basic Needs and Justice
- Cognition, Memory and Intelligence
- Crossing Boundaries: The Movement of People, Goods and Ideas
- Expanding Our Horizons
- Individuals and Communities

Culminating Course - 3 Credits

1. Honors (H) designation of same course number also fulfills MCC requirements.
2. With PHTH 7974 Clinical Education Experience 1
3. With PHTH 7505 Patient/Client Management 3
Grade Minimums & Additional Information

- A grade of C or better is required in Honors MCC courses. A passing grade is required in non-Honors MCC courses.
- Review the Marquette Core Curriculum (https://bulletin.marquette.edu/resources-opportunities/marquette-core-curriculum/) section of the bulletin for additional information, including transfer student requirements and Discovery Theme details.

Major in Spanish Language, Literature and Culture

The major in Spanish Language, Literature and Culture consists of eleven or twelve courses (33-37 cr. hrs., depending on the student’s language proficiency upon beginning the program) in one of the concentrations listed below.

CONCENTRATION 1: Spanish Language, Literature and Culture

<table>
<thead>
<tr>
<th>Code</th>
<th>Title</th>
<th>Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>SPAN 2002</td>
<td>Demonstration of Intermediate-level Language Proficiency 1</td>
<td>0-4</td>
</tr>
<tr>

</tr>
<tr>
<td>SPAN 4999H</td>
<td>Honors Senior Thesis</td>
</tr>
</tbody>
</table>

**Total Credit Hours:** 30-34
Students who place at intermediate-level proficiency or higher at the outset of their studies do not have to complete this requirement. Heritage and native speakers of Spanish must take the placement exam to determine their proficiency levels. Consult the Department of Languages, Literatures and Cultures for information on the placement exam.

Elective course requirements cannot be fulfilled by courses completed in fulfillment of other program requirements.

**Total Credit Hours:** 30-34

1. Students who place at intermediate-level proficiency or higher at the outset of their studies do not have to complete this requirement. Heritage and native speakers of Spanish must take the placement exam to determine their proficiency levels. Consult the Department of Languages, Literatures and Cultures for information on the placement exam.

2. Elective course requirements cannot be fulfilled by courses completed in fulfillment of other program requirements.

**Additional Requirements for Concentration 2: Spanish Language, Literature and Culture for Education Majors:**

- Maintenance of a minimum 2.750 grade point average in the major with a minimum of a 3.000 grade point average in the following courses: SPAN 3001 Advanced Communication in Spanish (or SPAN 3005 Advanced Communication in Spanish for Heritage Speakers), SPAN 3100 Advanced Spanish Grammar Review and Writing, SPAN 4110 Linguistic Approaches to Spanish Grammar, SPAN 4120 Spanish Phonetics, SPAN 4130 Spanish Pragmatics: Language Use in Context, and SPAN 4140 Spanish Second Language Acquisition as applicable.
• Passing an official Oral Proficiency Interview (OPI) in Spanish at the level of Intermediate-High on the ACTFL Oral Proficiency Scale as well as an official writing proficiency test (WPT) in Spanish at the Intermediate High level prior to registering for LLAC 4000 Teaching World Languages and Cultures.

• Residence in a country in which Spanish is spoken or participation in a study abroad program and/or intensive immersion experience. The Department of Languages, Literatures and Cultures must approve the program or experience selected. Students unable to study abroad for legal or financial reasons may ask their advisers to waive this requirement.

Major: Spanish Lang, Lit & Culture

**Total Credit Hours: 121-123**

<sup>1</sup> The four courses in the Discovery Tier (DSCV) of the MCC must be completed in the same theme and include the following content areas: Humanities (HUM), Social Science (SSC), Natural Science and Mathematics (NSM) and one elective (ELE), which is an additional course from any of the three content areas. A maximum of two courses in the Discovery Tier can apply towards a primary major.

<sup>2</sup> Students must also complete the Writing Intensive (WRIT) and Engaging Social System and Values 2 (ESSV2) requirements of the MCC. These requirements can be fulfilled through designated courses in the Discovery Tier or other degree requirements.

**Note:** The course sequencing option above should be used as a guide. MCC courses may be taken in a different sequence depending on the chosen major and the availability of courses.
Note: A minimum of 120 credits is required for the degree.

Total Credit Hours: 12

¹ The seminar series prepares students to write a Humanities Disciplinary Honors project and helps to mentor them during the writing of the project. While enrolled in HOPR 2954H students also secure individual faculty mentors for their Humanities Disciplinary Honors project.

² The instructor is the student's faculty mentor for their Humanities Disciplinary Honors project.

Notes

- Two upper-level departmental courses, one in the student's major and one that must be in another department are required. Each must be a 3-credit, graded course and must have the approval of the HiH director. These courses are normally taken during student's junior year. The courses in the student's major count toward total major credits and toward other major requirements where applicable. The course in another department does not count toward major requirements.
- These two thematically paired courses are carefully chosen by the individual student to help them set a foundation for their independent research project. Ideally these offer background, help the student develop new questions and allow for new perspectives on these questions.
- Students may take these upper-level thematically paired courses concurrently or in different terms; they should have finished at least one before beginning their independent projects.

Academic Standards

Students must have a 3.200 cumulative overall grade point average for entry into the Humanities Disciplinary Honors Program. Students must achieve a 3.200 cumulative grade point average in the above 12 credit hours required in order to graduate with Humanities Disciplinary Honors. Students who complete both Core Honors and Humanities Disciplinary Honors earn a Comprehensive Honors degree. Students must have a 3.200 cumulative GPA to graduate with this degree. Students admitted to Humanities Disciplinary Honors become part of the University Honors Program and are eligible for Honors research fellowships and Honors study-abroad scholarships. If an Honors student drops below a 3.200 in any given term during the junior year or any subsequent year, the student receives a letter of warning from the director. If a student drops below a 3.200 cumulative GPA, they are placed on University Honors Program academic probation; if they do not achieve a 3.200 cumulative GPA by the end of the following term, they are removed from the program. Students must earn a grade of C or better in all courses required for Humanities Disciplinary Honors and the Comprehensive Honors degree.

Additional Requirements

- The student must submit a written application to the program after HOPR 2954H but before HOPR 3954H that includes a description of the project they would like to pursue, a brief list of potential faculty mentors and another brief list of possible course pairings with explanations of how each might further develop the research plan. This application is be read by both the director and the appropriate disciplinary committee member.
- A research proposal is produced in HOPR 3954H, for the SPAN 4999H thesis project that contains a reflection on the paired courses and how they have shaped the project—including the research questions, methodology and literature review. The student also has a mentor in place for the SPAN 4999H by the end of HOPR 3954H.
• The final SPAN 4999H thesis project is graded by the disciplinary faculty mentor, but is also assessed by the appropriate HiH board member (e.g. a thesis in History would be graded by the thesis director and then assessed by the History HiH board member on a S/U basis).

• Presentation is an important component of research and as such students are required to present their work either at the end of the HOPR 4954H term or the following term. Ideally, the student presents their work at the Marquette University Undergraduate Humanities Conference if it is held in the spring term following the HOPR 4954H.

Eligibility

Humanities Disciplinary Honors is designed to be completed during students’ junior and senior years. Sophomores interested in pursuing Humanities Disciplinary Honors should enroll in HOPR 2954H during their sophomore year. Sophomores are eligible to apply to the program near the end of the spring term as long as they meet the 3.200 minimum cumulative GPA requirement.

Application

Students are encouraged to apply following successful completion of HOPR 2954H, but applications are also accepted in the fall term of the junior year. Students apply for admission to the Honors in the Humanities director. Application materials may be obtained by contacting kristen.foster@marquette.edu.
