

# Philosophy, Minor

---

The Philosophy minor allows students to investigate the enduring questions facing humanity: What is the human being? How ought we to live? What is our relationship to the world around us and the transcendent? Philosophy also encourages students to be reflective. It asks students to critically evaluate their personal beliefs about self, communities and the world at large in light of varied intellectual traditions.

## Minor in Philosophy

The philosophy minor consists of seven courses (21 credit hours) including four required courses (12 credit hours) and three elective philosophy courses (9 credit hours) as listed below:
