

Business Administration, MBA

Program Director: Karen Rinehart, Assistant Dean of Graduate Programs

MBA website (<https://www.marquette.edu/business/graduate/mba.php>)

Degree Offered

Master of Business Administration, Plan B Non-Thesis option only.

Program Description

The objective of the master of business administration (M.B.A.) program at Marquette University is to provide students with a broad professional education in preparation for responsible managerial positions. The program is built upon the foundations of analytics, leadership, ethics, and strategy.

Emphases of the program includes an understanding of business problems and the development of managerial skills. The M.B.A. program is accredited by the Association for the Advancement of Collegiate Schools of Business (AACSB–International) and reflects the high standards and expectations of that accreditation.

The M.B.A. program is delivered in a flexible format with classes offered as a combination of face-to-face, on-campus, hybrid or blended or online classes. A fully online program is also offered. The online program requires the selection of the online program during the application process. Only those students accepted into the online program are eligible to enroll in the fully online program and are not eligible to take on-campus classes.

The M.B.A. program can be completed with 31.5 or 42 credit hours depending on academic background. Students who are waived from all business essentials courses and MBA 6010 Quantitative Analysis are required to complete the minimum 31.5 credits.

All waivers are reviewed at the time of admission so that students know the number of credits and which courses are required before starting the program. There is no option to test out or to place out of the business essentials based on a test or work experience, courses are waived only on formal, for-credit academic work completed within the last 10 years with a B or above from an accredited institution.

Application Requirements

Application requirements and the online application link are available through the GSM website (<https://www.marquette.edu/business/graduate/mba.php>).

Note: Students may apply for regular degree, non-degree or temporary non-degree status. Non-degree applicants and temporary non-degree applicants must submit all required application materials, except the GMAT/GRE scores. Non-degree and temporary non-degree status are not available to international students. International applicants must apply for regular degree admission status.

Students are encouraged to complete all application materials and apply for degree status. Non-degree status and temporary non-degree status are valid for a limited number of semester(s) as approved by the program director. Students with non-degree or temporary non-degree status are not eligible to continue taking GSM classes beyond the time frame of the approved term(s) without degree admission. Typically, non-degree admission is not recommended in the M.B.A. program.

Online Program

The M.B.A. program is offered in a fully online, asynchronous format.

Master of Business Administration (M.B.A.)

The M.B.A. program is delivered in a flexible format with classes offered as a combination of on-campus, blended, and online classes. A fully online program is also offered. The online program requires the selection of the online program during the application process. Only those students accepted into the online program are eligible to enroll in the fully online program and are not eligible to take on-campus classes.

The M.B.A. program can be completed with 31.5 - 42 credit hours depending on academic background. Students who are waived from all business essentials courses and MBA 6010 Quantitative Analysis are required to complete the minimum 31.5 credits.

All waivers are reviewed at the time of admission so that students know exactly which courses and the number of credits required before starting the program. There is no option to test out or to place out of the business essentials based on a test or work experience, courses are waived only on formal, for-credit academic work completed within the last 10 years with a B or above from an accredited institution.

Program Requirements

1. Business Essentials (9 credits)
2. Analytics (4.5 credits)
3. Ethics and Organizations (3 credits)

4. Strategy (6 credits)
5. Leadership (4.5 credits)
6. Electives (15 credits)

The program does not require a thesis, essay or comprehensive examination. Instead, MBA 6997 Strategic Management Capstone serves as the final integrating experience in the program. MBA 6997 Strategic Management Capstone may be taken only after completing a combination of 18 credits from Analytics, Ethics and Organizations, Strategy, Leadership and Electives.

Code	Title	Hours
Business Essentials ¹		
MBA 6040	Business Essentials - Accounting	1.5
MBA 6050	Business Essentials - Economics	1.5
MBA 6060	Business Essentials - Finance	1.5
MBA 6070	Business Essentials - Information Systems	1.5

MBA 6150	Leading Innovation and Creativity	1.5
MBA 6160	Leadership Coaching and Development	1.5
Electives ²		
Total Credit Hours:		42

¹ The business essentials courses represent the foundation of business. A student can be exempted from course requirements if the student has recently completed equivalent course work, with satisfactory grades, as part of a degree program accredited by the AACSB–International or other regionally accredited program specifically recognized by the Graduate School of Management. Undergraduate courses would qualify as equivalent course work, if completed within the last 10 years. Courses that are waived reduce the total number of credits required to complete the degree.

² In selecting the 15 credit hours of required elective course work, the M.B.A. student has a variety of choices. Electives may be concentrated in one area of business, e.g., marketing, or they may be distributed over several areas. Courses chosen from Marquette's graduate offerings in accounting, corporate communication, economics skills courses, finance, human resources, information systems, leadership, management, and supply chain management are routinely approved for elective credit in the M.B.A. program. With the exception of Marquette certificates and specializations approved by the Graduate School of Management, students may not take more than 6 credit hours of electives outside the GSM programs.

Specializations

A specialization is not required in the M.B.A. program, and earning a specialization does not alter, in any way, the degree awarded. The specialization is noted on the student's official university transcript but not on the diploma. To earn a specialization, a student, in addition to meeting all requirements for the M.B.A. degree, must take at least 12 credits of course work from among the prescribed courses approved for the chosen specialization. The student must earn a grade of B or above in each of the prescribed courses, and all courses applied toward a specialization must be taken at Marquette University. Specializations cannot be completed after the M.B.A. degree is awarded.

At 12 credits each, specializations are available in the following areas of study: Economics, Finance, Health Systems Leadership, International Business, Marketing, and Supply Chain Management. Students who have completed prior learning equivalent to intermediate macroeconomics and intermediate microeconomics may be considered for the Economics specialization. Admission to the M.B.A. qualifies students to consider the Finance, Health Systems Leadership, International Business, Marketing, and Supply Chain Management specializations.

A 15-credit specialization in Business and Managerial Analytics is offered within a specific STEM-focused M.B.A. program that requires the selection of the specialization-aligned program at the time of program application. Students may choose the M.B.A. or the M.B.A. Online with the business and managerial analytics specialization. Students accepted into the online program are eligible to enroll in the fully online program and are not eligible to take on-campus classes.

A 13-credit specialization in Sport Business may be chosen only by students enrolled in the M.B.A./J.D. Dual Degree program. Students start this dual program as a law student. Upon completion of the law program, only students with a focus in Sports Law are officially admitted to the M.B.A. program for completion of the remainder of the dual program. Contact the Graduate School of Management for information at gradadmit@marquette.edu.

Note: If a student pursues more than one specialization, 3 credit hours may count toward up to two specializations, as long as the same course is relevant to both specialization requirements. A second specialization does add additional courses beyond what is minimally required for the degree.

For additional information, contact the Graduate School of Management at (414) 288-7145, email gsm@marquette.edu or visit the website at [marquette.edu/gsm](http://www.marquette.edu/gsm/). (<http://www.marquette.edu/gsm/>)

MASTER'S DEGREE WITH A GRADUATE SCHOOL OF MANAGEMENT CERTIFICATE

The Graduate School of Management offers several graduate certificates. If a M.B.A. student chooses to earn a Graduate School of Management certificate, admission to both programs may be concurrent. The same courses may be used to satisfy the requirements of the master's program and certificate, as outlined in the university bulletin for each program. Students are expected to be admitted into all programs they intend to complete,

although course work completed prior to admission may be allowed to apply toward program requirements. Note that Marquette bulletin guidelines do not allow a student to complete a specialization and a certificate in the same area.

Accelerated Bachelor's-Master's Degree Program

This five-year program allows students to earn both their master of business administration (M.B.A.) and an undergraduate degree from various colleges with a bachelor's degree as long as they complete a minor in business or the following courses outlined below as part of their undergraduate studies.

Code	Title	Hours
3 credits Statistics from the following (transfer/test credits may also be accepted):		
MATH 1700	Modern Elementary Statistics	
MATH 1700H	Honors Modern Elementary Statistics	
MATH 4710	Mathematical Statistics	
MATH 4720	Statistical Methods	
MATH 4740	Biostatistical Methods and Models	
PSYC 2001H	Honors Psychological Measurements and Statistics	
BUAD 1560	Introduction to Statistics and Business Analytics	
MEEN 3426	Engineering Statistics	
Courses aligned with Business Essentials waivers include:		
BUAD 2100	Accounting and Finance Fundamentals for Non-Business Majors (or ACCO 1030 and ACCO 1031)	
ACCO 1030	Principles of Financial Accounting (completed with ACCO 1031)	
ACCO 1031	Principles of Managerial Accounting (completed with ACCO 1030)	
ECON 1001	Introduction to Economics (or ECON 1103 and ECON 1104)	
ECON 1103	Principles of Microeconomics (completed with ECON 1104)	
ECON 1104	Principles of Macroeconomics (completed with ECON 1104)	
FINA 3001	Introduction to Financial Management	
INSY 3001	Introduction to Information Systems	
MARK 3001	Introduction to Marketing	
OSCM 3001	Operations and Supply Chain Management	

In addition to completing courses associated with Business Essentials course waivers, undergraduate students may begin their graduate work in as early as their junior year and complete 3-9 credits of graduate-level course work. These graduate courses count toward both the undergraduate and graduate degrees. Should a student be denied admission to the M.B.A. program, the courses are counted toward the undergraduate degree only. A minimum grade of B is required for courses taken as an undergraduate student for graduate credit to apply toward graduate program requirements. Upon completion of the first term as a full-time master's candidate, the student must petition the appropriate Graduate School of Management program director to transfer the courses taken as an undergraduate to the master's degree.

To be considered for admission to the five-year program, applicants must formally apply to the Graduate School of Management during their junior or senior year at Marquette University, complete all of the application requirements, and indicate on the application that they are applying for the five-year program. For detailed information, contact the Graduate School of Management at (414) 288-7145 or visit the website at business.marquette.edu/academics/mba (<http://business.marquette.edu/academics/mba/>).
