Management, MIM

Master in Management

Program Director: Dr. Gary Adams, Ph.D.
Master in Management website (https://www.marquette.edu/business/graduate/master-management.php)

Degree Offered
Master in Management, Plan B Non-Thesis option only.

Program Description
The Master in Management (MGMT-MiM) degree is a 30-credit program offered fully online. The program is designed to develop leadership skills related to the management and development of human capital, organizational development and change management practices that generate positive organizational results. Its curriculum reflects a forward-looking view of human capital as equal to financial and physical capital in enhancing the competitiveness of any organization. The master in management program is accredited by the Association for the Advancement of Collegiate Schools of Business (AACSB-International) and reflects the high standards and expectations of that accreditation.

Prerequisite for Admission
Applicants to leadership studies must hold a baccalaureate degree, or its academic equivalent, from an accredited college or university. The undergraduate background must be appropriate to the chosen course of study. Generally, applicants should have a minimum cumulative grade point average of 2.750 (on a scale of 4.000) in their undergraduate course work. Minimally two years of work experience is preferred.

Application Requirements
The online application link is available through the GSM website (https://graduate.admissions.marquette.edu/apply/).

Note: Students may apply for Regular Degree, Non-Degree or Temporary non-degree status. Non-degree applicants and temporary non-degree applicants must submit all required application materials, except the GMAT/GRE scores. Non-degree and temporary non-degree status are not available to international students. International applicants must apply for regular degree admission status.

Students are encouraged to complete all application materials and apply for degree status. Non-degree status and temporary non-degree status are valid for a limited number of term(s) as approved by the program director. Students with non-degree or temporary non-degree status are not eligible to continue taking GSM classes beyond the time frame of the approved term(s) without degree admission. Typically, non-degree admission is not recommended in the M.i.M. program.

Master in Management
The master in management (MiM) degree requires a minimum of 30 credit hours, 21 credit hours of required core and 9 credit hours of elective.

**Total Credit Hours:** 30

**Master’s degree with Leadership specialization**

A specialization is not required in the MiM program, and earning a specialization does not alter, in any way, the degree awarded. The specialization is noted on the student's official university transcript but not on the diploma. To earn the leadership specialization, a student, in addition to meeting all requirements for the MiM degree, must complete 12 credits from the courses listed below: 6 credits align with required MiM courses and 6 credits are pursued through MiM electives. The student must earn a grade of B or above in each of the prescribed courses, and all courses applied toward a specialization must be taken at Marquette University. Specializations cannot be completed after the MiM degree is awarded.

- MANA 6115  Change Leadership in Self and Organizations
- MANA 6120  Managing and Leading in Turbulent Times

**Total Credit Hours:** 12

**MASTER’S DEGREE WITH THE LEADERSHIP CERTIFICATE**

The Graduate School of Management offers a leadership certificate. If a master's in management student chooses to earn the leadership certificate, admission to both programs may be concurrent. The same courses may be used to satisfy the requirements of the master’s program and certificate, as outlined in the university bulletin for each program. Students are expected to be admitted into all programs they intend to complete, although course work completed prior to admission may be allowed to apply toward program requirements. Note that Marquette bulletin guidelines do not allow a student to complete a specialization and a certificate in the same area.

Details for the leadership certificate can be found in this section (https://bulletin.marquette.edu/business-administration/leadership-certificate/) of the bulletin.

**Accelerated Bachelor's-Master's degree Program**

The program is aimed at individuals with an undergraduate degree in any field, technical or non-technical, who seek to gain a deeper understanding and development of thoughtful leadership around managing and leading people. Current Marquette University undergraduate students may take up to 9 credit hours of graduate-level courses and may start as early as their junior year.

These graduate credits count for both the undergraduate and graduate degrees. Should a student be denied admission to the master in management program, the courses will be counted toward the undergraduate degree only. A minimum grade of B is required for courses taken as an undergraduate student for graduate credit to apply toward graduate program requirements. Upon completion of the first term as a master's candidate, the student must petition the Graduate School of Management to transfer the courses taken as an undergraduate to the master's degree.

To be considered for admission to the five-year program, applicants must formally apply to the Graduate School of Management during their junior or senior year at Marquette University, complete all of the application requirements as listed above and indicate on their application that they are
applying for the five-year ADP program. For more information, contact the Graduate School of Management at (414) 288-7145 or send an email to GSM@marquette.edu.
