Corporate Communication, Minor

Chairperson: Nathan Gilkerson, Ph.D.

Work in the corporate environment requires students to accurately assess internal and external corporate communication needs and frame strategic responses that are appropriate to multiple contexts and audiences. In this minor, students learn about the role of the corporation within our contemporary global society as well as the way in which communication helps shape, maintain and ultimately transform various aspects of corporate identity, culture and vision.

Students are required to complete 18 credits (9 required and 9 elective) to complete the minor.
