

# Academic Integrity

---

The Opus College of Engineering recognizes that any form or degree of academic dishonesty challenges the principles of truth and honesty, which are among the most important foundation principles of Marquette University. Consequently, the college treats matters of academic dishonesty as serious violations of academic trust and penalizes all students found to engage in such behavior. The reduction of academic dishonesty within the Opus College of Engineering must be a cooperative enterprise of faculty, students and administrators.

Refer to the University Academic Integrity Policy (<https://bulletin.marquette.edu/policies/academic-integrity/>) in this bulletin.
