

Credit/No Credit (CR/NC) Grading Option

Courses taken under CR/NC Option may not be required courses or courses within the student's specified major. In other words, department electives or any required course in a student's major may not be taken by students in that department under CR/NC provisions.

Only one such pass-fail course can be taken each term, with a maximum of four total for graduation. Co-op credit does not count toward this total.
