## Marquette University Payment Policy

The staff in Marquette Central is dedicated to serving our students and families in a professional and friendly manner while following the policies and procedures set forth by the university. The office provides accurate and timely information about student accounts while encouraging our students to be active participants in managing their account.

Marquette University sends a monthly electronic billing statement to students that have an account balance. Students may also view their e-bill via CheckMarq. Payment due dates are available on the Marquette Central website (<http://www.marquette.edu/mucentral/>). The final step to complete registration is payment in full of all fees for the term. It is the responsibility of students to pay tuition, fees and housing by the published due date whether they receive a bill or not.

Students who do not plan to attend the university are responsible for dropping classes through CheckMarq and notifying their respective college office. All courses for which students are officially registered as of the close of registration are subject to tuition, fee assessment and payment, and as such appear as part of their permanent record even if they do not attend any class periods. To avoid unnecessary charges and permanent failing or withdrawn grades on their permanent record, it is the responsibility of students to review their official registration prior to the end of registration for the session in which the course is scheduled and ensure it accurately reflects the courses in which they plan to be enrolled. Students assume responsibility for the consequences that ensue as a result of any failed or withdrawal grade. These consequences include but are not limited to: a delay in graduation, dismissal from the degree program, denial of readmission, external institutions/entities viewing these grades as failing grades, loss of eligibility for certain scholarships and/or financial aid, loss of full-time status and/or loss of a refund.

Registration is not considered complete until all tuition and fees are paid, enrolls in the Marquette Monthly Payment Plan ([http://www.marquette.edu/mucentral/bursar/payment\\_plans\\_index.shtml/](http://www.marquette.edu/mucentral/bursar/payment_plans_index.shtml/)), or submits a billing authorization from an approved sponsor. Students whose accounts reflect that the payment has not been made, or that are otherwise delinquent have a registration block, transcript block and diploma block placed on their accounts. There is a \$100.00 fee for the removal of the block. Failure to pay any balance when due may result in the cancellation of students' registration for the current academic term, referral of the account to a collection agency, legal action to collect any balance due or any combination thereof. If the university must take legal action to collect any unpaid balance, students are responsible for all fees and costs incurred by the university to collect the unpaid balance.

## Payment Options

### Traditional Term Payment

Payment of all tuition, housing and other billed charges is due in full prior to the beginning of each term.

- Cash and checks are acceptable methods of payment.
- Payment may also be made electronically (direct debit from checking or savings account) by accessing the link on the Marquette Central website (<http://www.marquette.edu/mucentral/>).
- Credit card payment is available through a third-party provider. The service fee for using this service is variable depending on the amount of the charge. This service may be accessed through the link on the Marquette Central website (<http://www.marquette.edu/mucentral/>) or by calling (866) 893-4518.

### Marquette Monthly Payment Plan

Marquette offers a payment plan during the fall and spring terms administered by Tuition Management Systems Inc. The Marquette Monthly Payment Plan allows students and their families to pay tuition, fees, university housing and/or meal charges in five equal monthly installments. There is a \$35 per term enrollment fee, but there are no interest charges involved.

### Payment by a University Approved Third-Party Sponsor

The Office of the Bursar works with students who receive tuition assistance through a third party. The third party is billed for all or part of a student's financial account charges after the university registration add/drop date.

**Note:** If your employer requires grades prior to paying for a class, we cannot set them up as a third-party sponsor.

### Tuition Discounts

**Audit:** A 50% discount on tuition is applied to per-credit charges for courses taken as audit (no credits earned). Students interested in taking a course on an audit basis must first register for the course for credit, then request a change in enrollment status to audit by informing the Graduate School. Students must notify the Graduate School by the close of late registration by submitting the Registration Change Request form found on the Graduate School forms website ([http://www.marquette.edu/grad/forms\\_index.shtml/](http://www.marquette.edu/grad/forms_index.shtml/)). Students must have the proper background and prerequisites for the course in question. Auditors are required to attend all classes and are expected to participate, based on the nature of the course, and/or complete assignments, at the discretion of the instructor. Students using the audit discount are not eligible for the senior citizen discount.

Senior Citizen: A 50% discount on tuition only is available to individuals 62 years of age and older taking graduate courses for credit. This opportunity is offered to students who have the proper background and prerequisites for the course in question. Students using the senior citizen discount are not eligible for the audit discount.

All rates in this bulletin are believed accurate and current when printed. However, Marquette University reserves the right to modify any rate to correct a printing mistake or to respond to any unforeseeable change in circumstances, e.g., energy surcharge, governmental action, etc.

## Housing

The Office of University Apartments and Off-campus Student Services exists to assist current and prospective Marquette students in their search for apartment housing on and around the Marquette campus. Our office provides a comprehensive, searchable website (<http://www.marquette.edu/offcampus/>) to help you locate appropriate housing around the Marquette campus. This website is the primary resource students use to find housing in the near-Marquette neighborhood. In order to be listed on our site, a property must be located within the Marquette University Police Department patrol area. The site not only lists a majority of the properties located in the immediate Marquette neighborhood, but it also offers useful information on safety, budgeting and campus and community resources. UAOCSS is located at 1500 W. Wells Street and is open Monday through Friday from 8:00 a.m. to 4:30 p.m.

## Meal Plans

Meal plans are available for purchase through the Office of Residence Life, and are automatically renewed for the second term unless cancelled through the office. Prices are per term.

Students who register for classes and subsequently change their course load through either a partial withdrawal from courses or a complete withdrawal from the university have adjustments made to their student accounts. Students assume responsibility for the consequences that ensue as a result of any withdrawal grade. These consequences include but are not limited to: a delay in graduation, dismissal from degree program, external/entities viewing these grades as failing grades, loss of

eligibility for certain scholarships and/or financial aid, loss of full-time status and/or loss of a refund. See this bulletin for a full description of withdrawal procedures.
