Degree Offered
Doctor of Philosophy

Program Description
The interdisciplinary Ph.D. program provides students and faculty with opportunities for creative customized academic programming and research that crosses the boundaries of traditional disciplines.

Each student’s program is reviewed by the Graduate School and is subject to approval by the University Board of Graduate Studies, which acts as the governing department.

Any INPR program must combine course work and expertise from two or more academic departments at Marquette. Faculty may serve on an INPR committee whether or not their department offers a doctoral degree.

CAREER SKILLS REQUIREMENT FOR PH.D. STUDENTS
Marquette University is committed to preparing our students to become exemplary leaders in their chosen academic and professional fields by preparing them for careers in which they find purpose and value by engaging in Ignatian pedagogical reflection and practice. The purpose of the career skills requirement is to ensure all doctoral students have the opportunity to reflect on their desired career and to acquire essential career-related skills needed for them to pursue their chosen path.

Students enrolled in Ph.D. programs in Fall 2024 and beyond at Marquette must complete three career skills requirements. Requirements are satisfied by one or more of approved courses, workshops, or practical experiences in each category, as approved by the Graduate School. Completion of each skill will be noted on the student’s transcript.

CAREER DISCERNMENT
Students will be able to identify and prepare for career pathways that are consistent with their values.

Objectives:
1. Understand realities of academic job market for your discipline, creating space for career imagination and understand potential career paths.
2. Exploration of, and defining student’s own identity/experiences/values/strengths/gifts and how the career pathway fits with those values.
3. Students will learn to identify and attain the skills and experiences necessary to obtain the career pathway they desire.
