

# Nursing, BSN

The College of Nursing offers a major in Nursing, as well as Disciplinary Honors. Students may also choose to minor in an area of study (e.g., second language). Specialized program plans are developed for the minor in conjunction with the academic adviser.

Marquette University College of Nursing's Bachelor of Science in nursing programs prepare women and men to be **providers of care, leaders of care and members of the nursing profession**. Upon graduation, students are well prepared to provide safe, high-quality nursing care, care that encompasses populations of all ages in a variety of health care settings. As the Marquette Nurse, a student will learn to care for patients with *cura personalis* (holistic care), advocate for the vulnerable, be a champion for social justice, an engaged critical thinker, and a courageous leader. As freshmen, students are admitted directly into the College of Nursing. Once admitted, students are guaranteed all required classes and clinical hours. This enables students to complete their degree in four years provided that academic performance is satisfactory. Students may choose a minor in an area of study or disciplinary honors. Specialized program plans are developed for the minor in conjunction with the academic adviser.

## Degree Requirements

A minimum of 127 credit hours are required for the degree consisting of the following requirements areas:

Area	Credit Hours
Marquette Core Curriculum (MCC)	30
Required Cognates	15
Major	79
General Electives	3

## College of Nursing Required Cognate Courses

The College of Nursing builds on the foundational educational experience provided by the MCC with a curriculum that challenges students to deepen the knowledge, skills and values imparted to them through the MCC while at the same time developing their proficiency in nursing. The College of Nursing thereby amplifies and extends the students' core academic experiences in addition to focusing further learning on the pursuit of a specialized degree.

College of Nursing students are required to take the following courses:

Code	Title	Hours
BISC 2015	Principles of Human Anatomy and Physiology 1	3
BISC 2016	Principles of Human Anatomy and Physiology 2	3
HEAL 1060	Survey of Biochemistry	3
PSYC 1001	General Psychology	3
PSYC 2101	Introduction to Life-Span Developmental Psychology for the Health Professions	3
<b>Total Credit Hours:</b>		<b>15</b>

### College of Nursing Required Non-Credit Courses

Prelicensure students in all health professions are required to complete four non-credit courses on interprofessional education. These are required for program accreditation and are taken each term of the junior and senior years.

IPED 9705 Interprofessional Education Communication

IPED 9710 Interprofessional Education Values and Ethics

IPED 9715 Interprofessional Education Teams and Teamwork

IPED 9720 Interprofessional Education Roles and Responsibilities

## General Electives

Nursing students are required to take 3 credits of general electives. A general elective course is any Marquette course that is not already being used to fulfill an MCC, major or cognate requirement. Students pursuing a minor may use minor courses to count towards the general elective requirement.

## Amount and Quality of Work

A candidate for a baccalaureate degree in nursing is required to complete 127 credits including all the requirements in the Marquette Core Curriculum (MCC) and the College of Nursing curriculum. The candidate must earn grade points equal to at least 2.5 times the number of credit hours required and must have at least a 2.500 cumulative grade point average. In addition, the college adheres to the University Commencement Policy (<https://bulletin.marquette.edu/policies/commencement/>).

## University Graduation Requirement

### Undergraduate Graduation Policy

Students are required to graduate at the end of the term in which all degree requirements are completed. Degree requirements are those requirements, including university, college and all other requirements necessary to earn a minimum of one undergraduate degree and any declared degrees/majors/minors/concentrations. That is, additional degrees/majors/minors/concentrations may be earned; however, they must be completed in the same term as the first degree/primary major is completed. Except in the case of readmission, undergraduate students must meet the graduation requirements which are stated in the Undergraduate Bulletin issued for the year in which they entered Marquette. Substitutions or waivers for specific courses required for degree completion may occur, as determined by the college and/or the Marquette Core Curriculum committee.

Students who have interrupted their enrollment from the university, are normally obliged to follow the degree/major/minor/concentration requirements in effect at the time of readmission. Policies that are in effect at the time of the return, apply to all students, regardless of the term of initial enrollment. Students are responsible for keeping themselves informed of the requirements which apply in their particular cases. Students have faculty advisers available who assist in planning and implementing their plan of studies; however, it is ultimately each student's responsibility to know and fulfill the requirements for graduation specified for the selected plan. This should be done not only by utilization of specific advisers, but also with Academic Advisement, the university's online degree audit tool on CheckMarq provided to all undergraduates. With Academic Advisement, students track their degree progress until graduation. It is the responsibility of students to immediately bring any discrepancies found in Academic Advisement to the attention of their college.

A candidate for a baccalaureate degree must meet the following graduation requirements:

1. In all undergraduate colleges and programs, a minimum of 120 credits earned and a cumulative grade point average of 2.000 is required for a Marquette undergraduate degree.
2. Credits required to be completed in residence at Marquette:
  - a. A minimum of 45 total credits must be completed at Marquette. Up to 15 of the 45 credits may be completed through an approved study abroad program.
  - b. A minimum of 32 upper-division credits must be completed at Marquette. This may include upper-division credits from an approved study abroad program.
  - c. The final 30 credits needed to complete a Marquette undergraduate degree must be completed at Marquette, unless those credits are earned in an approved study abroad program, or are earned as part of a written/contractual agreement with another institution, in which Marquette students participate during the final year of their degree program.
  - d. A minimum of one-half of credits in the major, minor, and concentration not attached to a major must be completed at Marquette.
3. Students must attend all courses, lectures, or any other exercises that are required, even though, in some cases such activities receive no recognition in terms of credit hours.
4. Students' records must be cleared of all grades that are not permanent, i.e., grades of I, IC, IE and NG.
5. Students must file the online application for a degree by the deadline published in the Academic Calendar (<https://www.marquette.edu/central/registrar/calendars-exams-schedules.php>); however, because students are required to graduate at the end of the term in which all university, degree requirements are complete, the university reserves the right to graduate a student without a graduation application on file. If the university exercises this option, there is no guarantee students will be able to participate in Commencement.
6. Commencement is held in May, after the spring term. Participation in Commencement does not mean students are graduated. See the Commencement Policy (<https://bulletin.marquette.edu/policies/commencement/>) in this section for further details.
7. Exceptions to this Graduation Requirements policy must be approved by the Office of the Provost, except:
  - the course and bulletin year exceptions listed in the 'Graduation Requirements' section above (as approved by the college)
  - number 3 above (as approved by the college)
  - the dean's office in the college where the student's program resides may exempt up to 6 of the final 30 credits from being completed in residence (number 2c above)

For additional college requirements, consult the Degree Requirements listed for each undergraduate program in this bulletin.

**Special Note for 2023-2024:** Students who attended Cardinal Stritch University in a bachelor's degree program during the 2022-2023 year and directly transfer to a bachelor's degree program at Marquette University in Fall 2023 or Spring 2024 with fewer than 45 credits remaining in their Marquette program are exempted from the standard Marquette residency requirement (items 2-6 listed above). In lieu of the standard residency requirement, exempted students must complete all remaining credits for their undergraduate degree at Marquette. Exempted students are expected to remain continuously enrolled (fall and spring terms) at Marquette until the completion of their bachelor's degree.

### Graduation Latin Honors

The grade point average is used to compute graduation Latin honors. The computation is made by dividing the total number of grade points earned at Marquette University by the total number of grade point hours earned. The official Marquette GPA of all students is calculated by the student information system and this GPA is not rounded up or down for any reason. To graduate with Latin honors, candidates must be pursuing their first bachelor's degree, earned at least 60 grade point hours and 60 degree hours at Marquette University, normally as a junior and senior. First bachelor's degree is

defined as the first bachelor's degree earned from any institution. When students earn a concurrent additional bachelor's degree (i.e., finish in the same term as the first bachelor's degree), the additional degree is also eligible for Graduation Latin Honors, if the first bachelor's degree qualifies.

Graduates whose grade point average is 3.500, graduate with cum laude (Latin for 'with honor'); graduates whose grade point average is 3.700, graduate with magna cum laude (Latin for 'with great honor'); and graduates whose grade point average is 3.900, graduate with summa cum laude (Latin for 'with highest honor'). Graduation Latin honors are recorded on diplomas, noted in the published lists of graduates at Commencement and recorded on students' transcript.

## Graduation Record

The academic record of students is frozen once the degree is posted and may not be altered thereafter, unless required to do so by law and/or a documented university error is discovered after the degree is posted. This includes, but is not limited to: all relevant grade point averages, grades, additional information relating to the degree(s), major(s), minor(s), concentration(s), Latin Honors and academic censure.

### Discovery Tier - 12 Credits

Students must complete **four** Discovery Tier courses, all from the **same** Discovery Theme. These four courses must include one course from each of the three content areas (Humanities, Natural Science and Mathematics, and Social Science), and one elective (an additional course from any of the three content areas). A maximum of two courses in the Discovery Tier can be applied toward a primary major. Additional dual counting may be allowed towards college-level requirements.

Students declare their Discovery Theme using the Discovery Tier Declaration Form (<https://www.marquette.edu/central/registrar/how-do-i-declare-change-mcc-discovery-tier-theme.php>) in CheckMarq.

For students who participate in a full-time (12 credits or more) Marquette-approved study abroad program, one study abroad course (minimum 2.5 transfer credits awarded) may fulfill the elective requirement of the Discovery Tier. Any additional MCC requirements may be fulfilled only when the approved transfer equivalent is an exact match to a specific MCC course.

## Discovery Themes

The five discovery theme options are listed below. See additional information and course listings (<https://bulletin.marquette.edu/resources-opportunities/marquette-core-curriculum/#discoverythemestext>).

- Basic Needs and Justice
- Cognition, Memory and Intelligence
- Crossing Boundaries: The Movement of People, Goods and Ideas

## Curricular Requirements

### Disciplinary Honors Required Courses

Code	Title	Hours
Statistics Course		3
NURS 3956H	Honors Nursing Practicum 1	1
NURS 4956H	Honors Nursing Practicum 2	1
NURS 4997H	Honors Senior Capstone	1
<b>Total Credit Hours:</b>		<b>6</b>

### Eligibility

Are you curious? Are you someone who hears about a healthcare issue and starts thinking about how you can make it better? Are you self-directed, but also enjoy working collaboratively with others to identify and solve problems? Are you interested in learning more about a professional career in nursing that makes a difference in clinical practice? Are you intrigued about the different areas of nursing research? If so, you would be an excellent candidate for Nursing Disciplinary Honors!

As a Disciplinary Honors student you will:

- Participate in ongoing research activities with faculty mentors throughout your Junior and Senior year.
- Actively disseminate scholarly work through publication, presentations and participation in local research conferences such as Building Bridges (nursing research conference SE WI).
- Attend honors program meetings.
- Maintain honors designation, including any minimum GPA requirements and adherence to the MUCN academic and professional code of conduct.

### Academic Standards

Students must achieve a 3.200 cumulative GPA and a 3.500 cumulative Nursing GPA in order to complete Nursing Disciplinary Honors and the Comprehensive Honors degree. Students must earn a grade of C or better in a course for it to count toward the Comprehensive Honors degree.

Honors students are expected to actively engage in all activities of the program, including:

- Participate in ongoing research activities with faculty mentor throughout the duration of the honors program.
- Actively disseminate scholarly work through publication, presentations and participation in local research conferences such as Building Bridges (Nursing research conference in Southeastern WI).
- Attend all honors programs meetings.
- Maintain honors designation, including minimum GPA requirements and adherence to the MUCN academic and professional code of conduct.

### APPLICATION

Sophomores with a recommended cumulative GPA of 3.000 are eligible to apply to the program; the Disciplinary Honors Program in Nursing Committee selects a limited number of applicants. The program is structured to be completed over the last four semesters of a student's academic career. Students must maintain a 2.000 cumulative GPA for graduation in order to complete Nursing Disciplinary Honors.

The application requires each applicant to submit a 300-500 word personal statement addressing why they would like to participate in Disciplinary Honors and what type of research they are interested in.
