

Admission Requirements

Applicants to the College of Nursing are expected to fulfill the admission requirements listed in the university Admission and Readmission (<https://bulletin.marquette.edu/admission-costs/undergrad-admission/>) section of this bulletin. Acceptance as a freshman in the College of Nursing assures placement in clinical nursing courses provided students remain in good standing and follows the prescribed program plan.

Students who interrupt their enrollment from the university follow the degree requirements from the bulletin in effect during the academic year of their return. Policies and regulations in effect at the time of return apply to all students, regardless of the term of initial enrollment.
