Admission and Readmission to the Graduate School of Management

Admission

Admission Status

Marquette University admits graduate students under four different categories: degree, non-degree, temporary and visiting scholar status.

Degree Status

When applicants are admitted to a program leading to a master's degree, they are said to be in “degree status.” This designation is made after the department and the Graduate School of Management have accepted an application. An applicant may be admitted into one of two categories. Certificate program students must apply for degree status only. Non-Degree and Temporary non-degree status are not admission options for Certificate programs.

Regular degree status — Designates a student who is admitted to the Graduate School of Management and is working toward a master's degree in a particular program. Students are eligible for tuition scholarships, graduate assistantships and fellowships.

Probationary degree status — This status is awarded to master's degree students only by the applicant's department or the Graduate School of Management. Probationary status is assigned when an applicant's academic performance falls below Graduate School of Management standards but there is other evidence to suggest the potential for successful graduate level study. Students admitted on probation are not eligible to receive financial aid from the Graduate School of Management but may apply for financial assistance from the Office of Student Financial Aid. Probationary status is typically removed upon completion of nine semester hours of course work with a 3.000 overall GPA or better, no grade lower than a B and all credits taken at the graduate level. Conditions of probationary degree status are specified on the admission letter. Students failing to have their probationary status removed after completing nine semester hours are not permitted to remain in the Graduate School of Management.

Non-Degree Status

Non-degree status is seldom utilized in the Graduate School of Management. This status designates any student taking graduate-level classes who is not seeking a master's degree. Two types of non-degree status utilized by the Graduate School of Management are: Temporary admission and Visiting Scholars admission. Students are not eligible to receive financial aid from the Graduate School of Management or from the Office of Student Financial Aid except for Catholic Schools Personnel Scholarships and the Milwaukee Area Teachers Scholarships.

All applicants are required to submit an application, the application fee, certified copies of transcripts and other information as requested by the department. Non-degree applicants seeking admission to degree status must meet the same admission standards as other applicants to a degree program.

Completion of any number of non-degree credits does not guarantee acceptance into a degree program, and, if a non-degree student is subsequently admitted to a degree program, there is no guarantee that credits earned while in non-degree status will count toward the degree. Most degree programs accept no more than six credits taken as a non-degree student. Grades below B do not transfer to degree programs but do remain in grade point calculations.

Credits earned as a non-degree student may be considered as graduate credits and certified as such to school boards or other authorities. Non-degree students may register for Graduate School of Management courses if they have met the prerequisites and have department permission. Permission numbers are required for non-degree registrations. The Graduate School of Management typically limits non-degree status to one term.

Probationary status — This status is awarded by the applicant's department or the Graduate School of Management. Probationary status is assigned when an applicant's academic performance falls below Graduate School of Management standards but there is other evidence to suggest the potential for successful graduate level study. Non-degree probationary status is typically valid for one term only. A student is expected to meet requirements for and apply to degree status if the student anticipates continuing. Conditions of probation are included on the admission letter.

Temporary Admission Status

Applicants who have applied to a degree or a non-degree program and meet the minimum admission requirements but have not submitted all the necessary documents may be admitted under temporary status. This admission is valid for only one term. Students must apply for and be admitted as a degree student before being allowed to register for additional courses. There is no guarantee that credits earned while in temporary status will count toward the degree. Grades below B do not transfer to the degree program but remain in grade point calculations. Exceptions are rarely made to this policy.
Visiting Scholar Status

This status designates a student, seeking a master’s degree at another institution, who takes one or more classes at Marquette University with the intention of transferring the earned credits. Evidence of the student’s status and academic performance at the other institution are required. Submission of official transcripts is required.

Visiting scholars may apply for federal financial aid through the student’s home school or through Marquette. Students applying for aid through Marquette must request a Consortium Agreement from the Office of Student Financial Aid. When the completed form is returned to Marquette, the student becomes eligible for federal financial aid and the Office of Student Financial Aid processes the student’s FAFSA. Students applying for federal aid through their home institutions should consult their home institutions for their application policies and procedures.

General Admission Requirements

Only applicants whose total record indicates that they can make independent, original and high-quality contributions to knowledge are admitted. Departments reserve the right to limit the number of students accepted within a given time period. Applicants must follow the Graduate School of Management’s application for admission procedures. It is the applicant’s responsibility to obtain information about additional application requirements from the Graduate Programs section found in this bulletin or from the director of graduate studies for the proposed program.

Application Procedures

An online application is required for the Graduate School of Management and is available at the Graduate School of Management (http://business.marquette.edu/academics/gsm) website. Click on Apply Now.

If you have transcripts from multiple schools and multiple letters of recommendation, you are very strongly encouraged to collect all application materials (with the exception of required standardized test scores) and mail them together, along with a copy of your online application in one envelope. If you have a copy of the test scores, you are encouraged to submit them as well. However, these copies are considered unofficial until we receive the official scores from the testing agency. Each letter of recommendation and transcript must be enclosed in its own sealed envelope and signed across the back seal by the issuing party. You may also use the online letter of recommendation function available within the online application. If the online letter of recommendation system is used, the physical letter of recommendation does not have to be submitted. Applications are not reviewed for admission until all materials have been received. Submit all application materials by mail to:

Marquette University
Graduate School of Management
David A. Straz, Jr., Hall
Executive Center, Suite 275
P.O. Box 1881
Milwaukee, WI 53201-1881

or by courier to: Marquette University Graduate School of Management, David A. Straz, Jr. Hall; Executive Center, Suite 275; 1225 W Wisconsin Avenue, Milwaukee, WI 53233.

Students may apply for Regular Degree, Temporary Degree, or Non-degree status. It is recommended that students apply for Regular Degree Status when possible.

Applicants for degree status must submit all materials directly to the Graduate School of Management:

• A completed online application form and $50 fee (U.S. currency only). Note: Application fee is waived for Marquette University alumni.
• Official transcripts from all current and previous colleges except Marquette.
• A letter notifying the Graduate School of Management if the last name (family name) on the transcripts or test scores is different from the name on the Graduate School of Management application.
• Official test scores from the Graduate Management Admission Test (GMAT) test code 1448 or Graduate Records Exam (GRE) test code 5786. The GMAT/GRE requirement may be waived if a student has a Master’s degree in a quantitative field (i.e. engineering, finance, etc.).
  • The GMAT/GRE requirement may be waived for qualified Graduate School of Management applicants.
  • The GMAT/GRE requirement may be waived for qualified Executive MBA applicants. See EMBA website.
• Essay questions on page 7 of the application form (not required for Economics).
• Resume or job profile.
• Two - three letters of recommendation for Economics, Executive MBA and certificate graduate applicants.
• Applications deadlines for full-time students are on the Graduate School of Management website (https://www.marquette.edu/business/graduate/admissions-process.php). Applications after these deadlines are reviewed on a space available basis.
• Applications for part-time students are reviewed on a rolling basis.
Applicants may request a waiver of the GMAT/GRE requirement for all GSM programs. Typically, waivers are granted as follows:

- For MS Accounting, Accounting Analytics, Applied Economics and Supply Chain Management, applicants that have earned an overall quality point average of 3.250 or higher with proof of quantitative course coverage from an AACSB accredited school.
- For MA Corporate Communication, Master in Management, applicants may be waived from the GMAT/GRE exam requirement if they have earned an overall quality point average of 3.250 or higher from an AACSB accredited or Department of Education approved Regional Accrediting Body.
- For the MBA programs, applicants may be waived from the GMAT/GRE exam requirement if they have less than 3 years of full-time business work experience and have a 3.500 or higher overall quality point average with proof of quantitative coverage and for those with 3 or more years of full-time work experience the quality point average requirement is 3.250 or higher from an AACSB accredited school, Engineering Accredited Commission of ABET school or Department of Education approved Regional Accrediting Body with proof of quantitative coverage.

Applicants should request the GMAT/GRE waiver and provide rationale. Send the request to GSM@Marquette.edu at the time of application.

Additional requirements for international applicants or applicants applying for Graduate School financial aid i.e. assistantship positions:

- Three letters of recommendation are required.
- Certified English translation of international transcripts, diploma, etc.
- Official TOEFL score or other acceptable proof of English Proficiency.

For applicants for Temporary (which is valid for one term only), or Non-degree Status:

- A completed application form and $50 fee.
- Official transcripts from all current and previous colleges except Marquette.
- Essay questions on page 7 of the application form.
- Resume or job profile.

(International applicants on an F-1 visa are not eligible for this status.)

**Official Transcripts**

Official transcripts detailing previous academic study from all universities or colleges attended, with the school seal, normally must be sent directly from the issuing institution to the Graduate School of Management or delivered electronically directly to the Graduate School of Management via a secured, third-party method that has been verified by the sending institution. Transcripts routed through applicants are not normally accepted as official. Applicants with course work in progress toward the fulfillment of a degree are required to submit an official final transcript verifying receipt of their degree after completing the course work. All applicants who have transcripts in a language other than English must provide official transcripts accompanied by certified English translations.

Marquette University
Graduate School of Management
David A. Straz, Jr. Hall
Executive Center, Suite 275
P.O. Box 1881
Milwaukee, WI 53201-1881

Applicants who previously attended Marquette University need not request Marquette transcripts but, if applicable, are required to furnish transcripts from other schools they attended.

**Letters of Recommendation**

Applicants should check their program section of this bulletin for information about the number of letters of recommendation needed, if any. Letters of recommendation should comment on the applicant’s past academic record and potential for future success. Most programs do not require special forms or format. Letters of recommendation may be sent directly to the Graduate School of Management by the author or institution, delivered in sealed envelopes with the author’s signature across the back flap, or via the online letter of recommendation function available within the online application. If the online letter of recommendation system is used, the physical letter of recommendation does not have to be submitted.

Applicants applying for financial aid through the university (Assistantship and Scholarship awards) must submit three letters of recommendation and check the financial aid area on the application (see the Financial Aid section of this bulletin).

International students must submit three letters of recommendation even if they are not applying for financial aid. These letters should be sent directly to the Graduate School of Management by the author or institution or be delivered in sealed envelopes with the author’s signature across the flap, or via the online letter of recommendation function available within the online application.

Letters from former professors or administrators of their former institutions are preferred.
Permission to discuss the applicant’s file with a third party (optional)
Applicants who are unable to speak directly with an admissions counselor (due to distance, expense, etc.) may give the Graduate School of Management permission to communicate with a third party. Marquette University requires that this request be made in writing, be signed by the applicant, and specify the name(s) of the third party. The form is available on the GSM website (http://business.marquette.edu/academics/gsm).

Additional application materials as requested by the program
It is the applicant’s responsibility to obtain information about these requirements from their Graduate Program portion of this bulletin or from the director of graduate studies for the proposed program.

Test Data
One or more of the following tests may be required as part of the admission process. Consult the Graduate Programs section of this bulletin or the program requirements at the GSM website (http://business.marquette.edu/academics/gsm) for information specific to the applicant’s proposed program. Regardless of the test, all scores must be sent directly from the issuing source to the Graduate School of Management.

Preparation books for these tests can be found at the public library and various bookstores. Free downloads of preparation materials are also available at mba.com (http://www.mba.com) for the GMAT and at gre.org (http://www.gre.org) for the GRE.

The Graduate School of Management urges applicants to take tests well in advance of the date the scores are needed. It can take up to six weeks for scores to reach the Graduate School of Management office after the exam. Test scores should be relatively recent; scores more than five years old (two years for TOEFL) may not be accepted.

Graduate Management Admission Test (GMAT)
All Graduate School of Management programs require the GMAT (test code 1448) or GRE (test code 5786) for admission to the master’s programs.

For information about this GMAT, contact the Graduate Management Admission Council®, 1600 Tysons Blvd., Ste. 1400, McLean, VA 22102 or visit mba.com (http://www.mba.com) or call (800) 717-GMAT (4628).

Test takers must enter the code 1448 in the Score Report Recipient section of the GMAT registration form. It is not sufficient to list Marquette as the undergraduate institution. Failure to enter the correct code delays the admission decision.

Refer to the degree program sections of this bulletin for potential GMAT/GRE waiver information.

Graduate Record Examination (GRE)
For information about the GRE, contact the Educational Testing Service, P.O. Box 6000, Princeton, NJ 08541-6000. Visit gre.org (http://www.gre.org) or call (609) 771-7670 or (866) 473-4373.

Test takers must enter the code 5786 in the Score Report Recipient section of the GRE registration form. It is not sufficient to list Marquette as the undergraduate institution. Failure to enter the correct code delays the admission decision.

Refer to the degree program sections of this bulletin for potential GMAT/GRE waiver information.

English Language Proficiency - International Students Only
International students whose language of instruction for their bachelor’s degree education (or master’s, if applicable) was not English, must provide English language proficiency verification via one of the following: TOEFL, Pearson Test of English (PTE), IELTS, or ESL Language Center.

Test of English as a Foreign Language (TOEFL)
International students should have an adequate command of both written and spoken English, usually evidenced by a TOEFL score of at least 580 on the paper-based version, 215 on the computer-based version. The Internet-based, or iBT, version of TOEFL tests students in four areas: reading, writing, speaking and listening. In general, a minimum score of 21 is required for each of the four sections with an overall minimum score of 90. Applicants for some programs must test with higher minimums and should consult the Graduate Programs section of this bulletin for specific information.

Test takers must enter the code 1448 and department code 02 in the Score Report Recipient section of the TOEFL registration form. Test scores may not be more than two years old. For information about this test, contact TOEFL Services, Educational Testing Service, P.O. Box 6151, Princeton, NJ 08541-6151. Visit toefl.org (http://www.toefl.org) or call (609) 771-7100 for more information.

International English Language Testing System (IELTS)—International Students Only
International students whose language of instruction for a prior degree was not English may take the IELTS in place of the TOEFL. In general, scores should be no more than two years old. Although each application is evaluated in its entirety, in general, an IELTS score of 6.5 overall or higher with no section below 6.0 is required for admission. Information about the IELTS can be found at ielts.org. (http://www.ielts.org)
ESL Language Centers
The Graduate School of Management accepts successful completion of ELS Language Centers level 113 with a final grade of B or better from U.S.-based Centers only.

International Student Requirements
Definition of an International Student
An international student is defined as an applicant who is not a U.S. citizen or permanent resident.

Application Instructions
As described in the Application Instructions section in this bulletin, international applicants are required to submit an online application form, a non-refundable application fee, official transcripts with certified English translations, three letters of recommendation, test data (including the TOEFL or other proof of proficiency) and other materials as required by the program to which they are applying.

English Language Assistance
All non-native, English-speaking graduate assistants are required to take a language placement examination upon their arrival on campus. Based on the results of the exam, students may be required to enroll in one or more English as a Second Language (ESL) courses in addition to their required course work. ESL courses in writing, reading, listening comprehension and speaking/pronunciation are offered during the fall and spring terms. (This requirement is in addition to the TOEFL requirement.)

Financial Verification and Visa Regulations
Upon acceptance to the Graduate School of Management, F-1 students must adequately document their financial resources for the duration of the academic program before a visa is issued. Financial verification, in the form of an appropriate sponsorship statement and an advance deposit (in U.S. currency) must be sent to Marquette University before the certificate of eligibility for a visa is issued. As a courtesy to our students, all I-20’s are express mailed to the student at the expense of the Graduate School of Management. The premium for the first term of health and repatriation insurance required of all F-1 students are deducted from the advance deposit. Students must be prepared to pay any remaining balance of the first term’s tuition when they arrive on campus. The advance deposit is waived if the student receives a scholarship or other academic award that covers the cost of the first term’s tuition. If a student chooses not to attend Marquette University after the I-20 has been issued, all but $500 (U.S. currency) is refunded. The request for refund form and original I-20 must be returned to the Graduate School of Management before any refunds can be authorized. If the student would like their refund expressed mailed, they must indicate that on the “Request for Refund” form. The cost of delivery is deducted from the original refund amount.

International students must abide by the regulations of their legal status in the United States regarding their defined educational objectives, academic load and employment. Most international applicants are eligible only for regular degree status. Those seeking admission for non-degree status must obtain a statement of their legal eligibility from Marquette’s Office of International Education.

Readmission
Students who have withdrawn from the university, failed to enroll for one or more academic-year terms, were administratively withdrawn from their program, or who were suspended for any reason must be formally readmitted to the Graduate School of Management before resuming their studies. Students may not be readmitted to a program that is no longer active at the time of readmission.

To be readmitted, students must receive departmental endorsement and complete a new Application for Graduate School of Management Admission via the GSM website (http://business.marquette.edu/academics/gsm). The application for readmission from students who have been Required to Withdraw for Academic Reasons (academically dismissed), must include the Appeal Academic Dismissal/Satisfactory Academic Progress form found on the Marquette Central academic forms website (http://www.marquette.edu/mucentral/registrar/policy_forms.shtml). Furthermore, no application for readmission is considered for any former student with an outstanding balance of $3,000 or more owed to the university. The associate dean of the Graduate School of Management and the Director of the Master’s program jointly decide if a student is readmitted.

In being readmitted, students face the possibility that previously completed work might not be accepted with the readmission decision, even if taken within the same program. The major department and/or Graduate School of Management may also set readmission conditions on the student’s resumption of work toward a degree such as registering for additional course work, retaking examinations, completing the degree within in a specified time period, or other appropriate terms.

Requests for readmission from students who have been suspended are based on many considerations including the applicant’s ability, evidence of growth and maturity, credits earned at another institution and time elapsed since leaving Marquette. Students may not be readmitted to a program that is no longer active at the time of readmission.

Earning a Second Master’s Degree
Students already holding a Marquette master’s degree may earn a second Marquette master’s degree in another discipline following the application procedures stated in this bulletin.
During the first term of study for a second master’s degree within the Graduate School of Management, students must plan with their adviser, a program of study to successfully complete the second master’s degree. Typically, between 6 and 9 credit hours may be transferred (courses must have been completed within the past 5 years with the grade of B or better) from a student’s first master’s degree at Marquette University depending on the total number of credits needed for the second master’s degree. No more than 40% of a program can be double counted between degrees. Students in certificate programs are encouraged to seek advising regarding transferring certificate courses to master degree requirements. Transfer credits from certificate programs to master’s degree vary by degree. Note that no credits can be transferred into a certificate and no courses taken prior to admission to a certificate program can count toward the certificate. Department endorsement and Graduate School of Management approval must be obtained. All transfer credits must be relevant to the GSM degree. All program requirements for the second master’s degree must be successfully completed by deadlines posted in the bulletin, including the transfer of credit form, graduation application, and if required, the professional project or comprehensive exam, etc. to meet the requirements for the second master’s degree. (See Transfer of Credit (http://bulletin.marquette.edu/schoolofmanagement/academicregulations/#transferofcredit) for additional information.)

A student may concurrently enroll in a master’s degree and certificate program, and in some cases, courses may be used to satisfy requirements for both as outlined in the program requirements for the individual certificate and master’s degree. Credits earned for a certificate must be done so after admission to the certificate program. Transfer credits are not permitted toward certificate program requirements. Students may not triple count credits, i.e. use the same course for a degree, specialization, certificate, multiple certificates or multiple degrees.
