Degree Offered
Master of Business Administration, Plan B Non-Thesis option only.

Program Description
The objective of the master of business administration (M.B.A.) program at Marquette University is to provide students with a broad professional education in preparation for responsible managerial positions in business, public service or education. The program is built upon the foundations of quantitative analysis, behavioral sciences, economics and management theory.

Emphases of the program includes an understanding of business problems and the development of managerial skills. The M.B.A. program is accredited by the Association for the Advancement of Collegiate Schools of Business (AACSB–International) and reflects the high standards and expectations of that accreditation.

Prerequisites for Admission
Admission to the M.B.A. program requires: a) a four-year bachelor's degree from an accredited college or university; b) an acceptable record of academic achievement at the bachelor's level and in any previous graduate course work; c) acceptable scores on required admission tests; and d) an overall composite profile of admission data (including an evaluation of previous work experience) that predicts success in the program.

Application Requirements
Students may apply for Regular Degree, Temporary Degree or Non-degree status. It is recommended that students apply for Regular Degree Status when possible. The application is online via the GSM website (http://business.marquette.edu/academics/mba). Then click on Apply Now.

1. A completed application form and fee.
2. Essay questions on the application form.
3. Official transcripts from all current and previous colleges/universities except Marquette.
4. Official test scores from the Graduate Management Admission Test (GMAT) test code 1448 or Graduate Records Exam (GRE) test code 5786.
   a. Applicants may request a waiver of the GMAT/GRE requirement, if:
      i. they have less than 3 years of full-time business work experience and a 3.500 or higher overall GPA with a proof of quantitative coverage or
      ii. they have 3 or more years of full-time work experience with the overall grade point average of 3.250 or higher and
      iii. degree from an AACSB accredited school, Engineering Accredited Commission of ABET school or Department of Education approved regional accrediting body with proof of quantitative course coverage
5. Resume or job profile.
6. (For international applicants or applicants applying for Graduate School financial aid, i.e. assistantship positions) three letters of recommendation.
7. (For international applicants only) an official TOEFL score (test code 1448 and department code 02) or other acceptable proof of English proficiency.

Note: Temporary non-degree applicants (admission valid for one term only) must submit all of the above, except the GMAT/GRE scores.

Students are encouraged to complete all application materials and apply for degree status. Temporary status is valid for one term only. Temporary non-degree status students are not eligible to continue taking M.B.A. classes beyond one term without degree admission. Typically, non-degree admission is not recommended in the M.B.A. program.

All application materials should be sent to:

Graduate School of Management
David A. Straz, Jr., Hall, Executive Center, Suite 275
Marquette University
P.O. Box 1881
Milwaukee, WI 53201-1881

or by courier to: Marquette University Graduate School of Management; David A. Straz, Jr. Hall, Executive Center, Suite 275; 1225 W Wisconsin Avenue; Milwaukee, WI 53233.
Off-Campus Program

The M.B.A. program currently offers the M.B.A. program at an off-site located in Kohler, Wisconsin. Although the program has some collaboration with local companies, students from all companies are welcome to apply. Admission to the program happens in fall only. As a 'lock-step – cohort group' there are ideally no new entries into the program once the group has matriculated. Students will take all classes together from matriculation to graduation. Classes meet one night each fall, spring and summer term. The Kohler program is completed in 33 months. If a student is unable to continue with the group, he/she can transition to the on-campus program at the Marquette University campus. For additional information on this program, contact the M.B.A. office at (414) 288-7145, email MBA@marquette.edu, or visit the GSM website (http://business.marquette.edu/academics/mba).

On-line program

The M.B.A. program is offered in a fully online, cohort-based format.

Master of Business Administration

The M.B.A. program is delivered in a flexible, on-campus format or an online format. The online program requires a separate application process. Only those students accepted into the online program are eligible to enroll in the online format.

The M.B.A. program can be completed with one of two different options depending on academic background.

Option 1 - requires 39 credit hours of course work. Option 1 is required for students with an undergraduate degree in a non-business discipline or whose undergraduate course work is more than 10 years old.

Option 2 - requires 33 credit hours of course work. Option 2 is required for students with an undergraduate degree in a business discipline and whose undergraduate course work is less than 10 years old.

With either option, the number of credits required may be reduced if exemptions to requirements are granted based on the applicant's undergraduate record and major field of study. In these cases, Option 1 could minimally require 33 credit hours and Option 2 could minimally require 31.5 credit hours.

Program Details - Option 1

The Option 1 course work covers six distinct areas:

1. Business Essentials (9 credits)
2. Decision Making (4.5 credits)
3. Ethics and Organizations (3 credits)
4. Strategy (6 credits)
5. Leadership (4.5 credits)
6. Electives (12 credits)

The program does not require a thesis, essay or comprehensive examination. Instead, MBA 6997 Strategic Management Capstone serves as the final integrating experience in the program. MBA 6997 Strategic Management Capstone may be taken only after completing a combination of 18 credits from Decision Making, Ethics and Organizations, Strategy, Leadership and Electives.

The business essentials courses represent the foundation of business. A student can be exempted from course requirements if the student has recently completed equivalent course work, with satisfactory grades, as part of a degree program accredited by the AACSB–International or other regionally accredited program specifically recognized by the Graduate School of Management. Undergraduate courses would qualify as equivalent course work, if completed within the last 10 years. Students must have completed coverage in all 3 areas to be exempt from that business essentials course.

Recommended sequence is MBA 6010, MBA 6020 or MBA 6030, if required.

In selecting the 12 credit hours of required elective course work, the M.B.A. student has a variety of choices. Electives may be concentrated in one area of business, e.g., marketing, or they may be distributed over several areas. A maximum of 12 credit hours (4 courses) may be taken within a specific area (i.e. economics, finance, leadership, marketing, etc.). Courses chosen from Marquette’s graduate programs in accounting, corporate communications, economics, human resources and leadership are routinely approved for elective credit in the M.B.A. program. Students may not take more than 6 credit hours of electives outside the GSM programs.

PROGRAM DETAILS - Option 2

The Option 2 course work covers five distinct areas:

1. Decision Making (4.5 credits)
2. Ethics and Organizations (3 credits)
3. Strategy (6 credits)
4. Leadership (4.5 credits)
5. Electives (15 credits)

The program does not require a thesis, essay or comprehensive examination. Instead, MBA 6997 Strategic Management Capstone serves as the final integrating experience in the program. MBA 6997 Strategic Management Capstone may be taken only after completing a combination of 18 credits from Decision Making, Ethics and Organizations, Strategy, Leadership and Electives.

**Total Credit Hours**

| Total Credit Hours | 33 |

Sequence is MBA 6010, MBA 6100 if required.

In selecting the 15 credit hours of required elective course work, the M.B.A. student has a variety of choices. Electives may be concentrated in one area of business, e.g., marketing, or they may be distributed over several areas. A maximum of 15 credit hours (5 courses) may be taken within a specific area (i.e. economics, finance, leadership, marketing, etc.). Courses chosen from Marquette’s graduate programs in accounting, corporate communications, economics, human resources and leadership are routinely approved for elective credit in the M.B.A. program. Students may not take more than 6 credit hours of electives outside the GSM programs.

**Specializations**

A specialization is not required in the M.B.A. program, and earning a specialization does not alter, in any way, the degree awarded. For those interested, however, specializations are available in several areas of study: Economics, Finance, International Business and Marketing. The specialization is noted on the student’s official university transcript but not on the diploma. To earn a specialization, a student, in addition to meeting all requirements for the M.B.A. degree, must take their electives from among the prescribed courses approved for the chosen specialization. A comprehensive list of approved
specializations and the requisite course work is available from the M.B.A. program director or via our website at marquette.edu/gsm. The student must earn a grade of B or above in each of the prescribed electives, and all electives applied toward a specialization must be taken at Marquette University.

**Note:** One course (3 credit hours) may double count if a student pursues more than one specialization as long as the same course is relevant to both specialization requirements. A second specialization does add additional courses beyond what is minimally required for the degree.

Graduates of the M.B.A. program may complete a specialization within five years of graduation.

For additional information, contact the M.B.A. office at (414) 288-7145, email MBA@marquette.edu or visit the website at marquette.edu/gsm.

**Accelerated Bachelor's/Master's Degree Program**

This five-year program allows students to earn both their master of business administration (M.B.A.) and an undergraduate degree from various colleges with a bachelor of science degree. Undergraduate students begin their graduate work in their senior year by taking two to four graduate-level courses.

These graduate courses double-count toward the undergraduate and graduate degrees. Should a student be denied admission to the M.B.A. program, the courses will be counted toward the undergraduate degree only. A minimum grade of B is required for courses taken as an undergraduate student for graduate credit to apply toward graduate program requirements. Upon completion of the first term as a full-time master's candidate, the student must petition the appropriate Graduate School of Management program director to transfer the courses taken as an undergraduate to the master's degree.

The five-year programs are available for the following undergraduate degrees:

- Biochemistry & Molecular Biology
- Biocomputing
- Biological Sciences
- Biomechanics
- Biomedical Sciences
- Chemistry
- Civil Engineering
- Computer Engineering
- Computer Science
- Construction Engineering
- Electrical Engineering
- Environmental Engineering
- Exercise Physiology
- Mathematics
- Mechanical Engineering
- Physics
- Physiological Sciences

To be considered for admission to the five-year program, applicants must formally apply to the Graduate School of Management during their junior year at Marquette University, complete all of the application requirements, and indicate on the application that they are applying for the five-year program. For detailed information, contact the Graduate School of Management at (414) 288-7145 or visit the website at business.marquette.edu/academics/mba.

**Business Administration Courses**

**BUAD 5931. Topics in Business Administration. 1-3 cr. hrs.**
Topics vary. Prereq: Admitted to BUAD, ECON, ENMA, HCTM, HURE, LEDR or NURS program; or cons. of M.B.A. prog. dir. Prerequisites vary depending on topic.

**BUAD 6000. Accounting and Finance for the Non-Financial Manager. 3 cr. hrs.**
Covers the understanding, analyzing, and use of relevant financial information for management decision making. Specific topics include: understanding of financial concepts, statements and information, cost drivers, pricing, profitability, creating value, time value of money, capital budgeting, developing awareness of ethical issues in accounting and financial reporting, evaluating relevant financial information optimizing decision making and effectively communicate financial information and decisions. Prereq: Admitted to graduate CCOM, HURE, LEDR and MGMT program; or cons. of M.B.A. prog. dir.

**BUAD 6005. Economic Foundations for Marketing Decisions. 3 cr. hrs.**
Designed for non-MBA students to explore the micro and macroeconomic theories and models that give managers insights and tools to make better marketing decisions. Addresses the cross section of the rational, efficient, upward and downward sloping world of economics and the gritty and often less-than-rational marketing reality of markets and consumers. Provides firm grounding in basic marketing concepts and practices and a quantitative economic framework from which to better understand them. Examines how market imperfections can lead to unethical and long-term, non-profit maximizing marketing decisions. Prereq: Admitted to graduate CCOM, HURE, LEDR and MGMT program; or cons. of M.B.A. prog. dir.
BUAD 6101. Skills: Conducting Performance Appraisals. 1 cr. hr.
Focuses on the communication skills important for conducting effective and fair performance appraisals. Includes an overview of the performance appraisal process, principles of organizational justice - as it relates to performance appraisals - and the communication skills needed. While a variety of approaches (e.g., 360, BARS, etc) are introduced - primarily through reading - the focus is on process. Prereq: Admitted to the graduate BUAD, ECON, HCTM, HURE or LEDR program; or cons. of M.B.A. prog. dir.

BUAD 6102. Skills: Balanced Scorecard. 1 cr. hr.
Using the Balanced Scorecard for Bottom Line Results. The Balanced Scorecard has been recognized by Harvard Business Review as one of the most influential business ideas in the last 75 years. In today's competitive business environment executing strategy into action is critical for success. This "hands on" course will focus on three major areas of the Balanced Scorecard: 1) Theory and concepts, 2) Case studies of successful companies and 3) Building your own Balanced Scorecard. State of the art software will be used to build a Balanced Scorecard for the student's organization illustrating operationalizing strategy into actionable results. Prereq: Admitted to the graduate BUAD, ECON, HCTM, HURE, LEDR or NURS program; or cons. of M.B.A. prog. dir.

BUAD 6103. Skills: Large Scale Change. 1 cr. hr.
Provides students with skills, tools, and methods for the role of middle managers for creating and managing change. Introduces large-scale change methods with an overview of the major large-scale change methods being used today. Considers both content methods and process methods. Although the methods and tools are framed for organization-wide initiatives, application can be made to units, sub-systems and groups within an organization. Prereq: Admitted to the graduate BUAD, ECON, HCTM, HURE, LEDR or NURS programs; or cons. of the M.B.A. prog. dir.

BUAD 6104. Skills: Business Writing. 1 cr. hr.
A workshop-approach that focuses on how to write clearly and effectively using common forms of business communication. Students gain confidence in their writing abilities as they learn: how to plan a writing assignment; necessity of self-editing; avoidance of common mistakes; and importance of persuasion. Prereq: Admitted to the graduate BUAD, ECON, HCTM, HURE, LEDR or NURS program; or cons. of M.B.A. prog. dir.

BUAD 6105. Skills: Coaching for Performance Improvement. 1 cr. hr.
Coaching for performance improvement and establishing objectives that are clear, meaningful and relevant to the employee are key management skills required for the workplace. Provides students with critical skills for coaching employees to unlock potential and maximize performance in the workplace. Emphasis on performance improvement as well as redirecting performance that is not achieving results. Provides coaching skills needed to develop the potential of employees, peers, and others within the organization by forging collaborative relationships, recognizing and adapting to individual and situational differences and creating a positive work environment that generates commitment and enthusiasm. Prereq: Admitted to graduate BUAD, ECON, HCTM, HURE, LEDR or NURS program; or cons. of M.B.A. prog. dir.

BUAD 6106. Skills: Cross-Cultural Meetings - Business Interactions. 1 cr. hr.
As the business community gets even smaller due to globalization, it becomes more imperative for the business professional to deal with complex cultural differences. Explores safe topics for discussion; how to meet and greet people; how to dress; how to entertain; when to schedule meetings and other miscellaneous tips including body language, gestures, currency exchange and grease payments. Also discusses Parliamentary Procedure as one way to possibly bridge the gap when dealing with multiple constituents. A minimum of 25 countries are examined. Prereq: Admitted to graduate BUAD, ECON, HCTM, HURE, LEDR or NURS program; or cons. of M.B.A. prog. dir.

BUAD 6107. Skills: Facilitating Meetings. 1 cr. hr.
Develop and practice skills for facilitating meetings. The first part addresses meeting management including planning an agenda; responsibilities of the facilitator; facilitation skills; analyzing group behavior; techniques for effective discussion; constructive feedback; and working through common problems. In the second part each participant has the opportunity to facilitate a meeting to practice facilitation and discussion skills and deal with common group problems. The third and final part introduces tools and techniques for meeting facilitation. These may include: affinity diagram, variations to traditional brainstorming, fishbone diagram, flowcharts, force field analysis, interrelationship digraph, nominal group technique, multi-voting and prioritization matrices for group decision making. Prereq: Admitted to the graduate BUAD, ECON, HCTM, HURE, LEDR or NURS program; or cons. of M.B.A. prog. dir.

BUAD 6108. Skills: GIS Business ArcView Software. 1 cr. hr.
Emphasis on principles and usage of Geographic Information Systems (GIS). Discuss capabilities and applications, review spatial data and become familiar with GIS software via hands-on exercises. Prereq: Admitted to the graduate BUAD, ECON, HCTM, HURE, LEDR or NURS program; or cons. of M.B.A. prog. dir.

BUAD 6109. Skills: Business Law. 1 cr. hr.
Provides business managers with the ability to identify the legal issues arising in important aspects of transactions in which they are likely to be involved. Focuses on three main managerial activities: marshaling human resources (employment law); limiting financial risk (business entity and operational liabilities and bankruptcy); and managing customer and supply chain relationships (contracts and leases). Managers gain a working knowledge of key business law principles in these areas and know when to seek professional legal advice. Attendance at all class meetings is required. Prereq: Admitted to the graduate BUAD, ECON, HCTM, HURE, LEDR OR NURS program; or cons. of the M.B.A. prog. dir.
BUAD 6110. Skills: Organizational Assessment. 1 cr. hr.
Provides tools and methods for assessing the current state of organizations. Different perspectives and approaches are considered for diagnosing an organization. Several different models are introduced that guide students on where and what to look for. Emphasis is placed on the need to consider the formal and informal systems as well as the alignment of sub-systems. Methods of data collection that are discussed include examination of historical records, observations and interviews. The pros and cons of survey questionnaires as a tool for organizational assessment are considered along with a review of some commercially available surveys. Prereq: Admitted to the graduate BUAD, ECON, HCTM, HURE, LEDR or NURS program; or cons. of M.B.A. prog. dir.

BUAD 6111. Skills: Powerful Presentations. 1 cr. hr.
Learn how to develop and deliver high-powered and targeted presentations through a well-planned and organized process and through the use of the tools available in PowerPoint. Provides a basic framework for developing and delivering effective business presentations. As a part of this framework, learn tips for preparing the presentation, overcoming personal obstacles to public speaking, rehearsing and delivering the presentation and interacting with the audience. Workshop time is devoted to learning how to create effective presentations using Microsoft PowerPoint including the use of templates, the presentation master and slide master; development of figures, charts and diagrams; inserting information into presentations; sharing presentations with others for review and delivering presentations online or in person. Prereq: Admitted to the graduate BUAD, ECON, HCTM, HURE, LEDR or NURS program; or cons. of M.B.A. prog. dir.

BUAD 6112. Skills: SAS. 1 cr. hr.
Provides a foundation for the use of the statistical software package, SAS, to be used for data analysis, data manipulation, modeling and other advanced statistical techniques. Teaches these techniques through a combination of group instruction, practice using examples and individual instruction. Prereq: Admitted to the graduate BUAD, ECON, HCTM, HURE, LEDR, MSSC or NURS program; or cons. of M.B.A. prog. dir.

BUAD 6113. Skills: SPSS. 1 cr. hr.
Familiarizes students with the features of SPSS statistical package and how to use SPSS in data analysis. However, it is not intended to teach the various statistical techniques. There is a basic level discussion of topics such as an overview of SPSS, creating SPSS datasets, modifying data values (recode, compute, sort, split data files, concatenate data files, create multiple response sets), statistical procedures, creating and modifying legacy charts as well as interactive charts, reading non-SPSS data files and converting them into SPSS data files. A number of data analysis assignments/problems are given which require application of SPSS. Prereq: Admitted to the graduate BUAD, ECON, HCTM, HURE, LEDR, MSSC or NURS program; or cons. of M.B.A. prog. dir.

BUAD 6114. Skills: Team Building. 1 cr. hr.
Focuses on learning and developing specific team building skills. Materials given to help understand team dynamics, problem solving in teams, group communication and develop high performing teams. Exercises and group activities emphasize the differences between individual and group goals and provide opportunities to practice team-based skills. Prereq: Admitted to the graduate BUAD, ECON, HCTM, HURE, LEDR or NURS program; or cons. of M.B.A. prog. dir.

BUAD 6115. Skills: Organizational Consulting - Roles and Responsibilities. 1 cr. hr.
Builds competence in consulting for organizational problem, project and process interventions. Focuses on the skills of both process consulting and the application of functional/technical expertise, whether as an internal or external consultant to an organization. Students are assigned to one of several teams, each of which is assigned to a case emphasizing (but not limited to) one of four problem/opportunity areas. Students' interests are prioritized in advance of the first class in an effort to assign a case team matching their identified priorities. The areas are: 1. People (HR/Org., labor, leadership/ succession, training & development, etc.); 2. Finance (capital/liquidity, accounting/reporting, revenue issue, cost reductions, etc.); 3. Market (product, pricing, market share, marketing communications, etc.); 4. Operations/technology (plant & equipment, IS, facilities, etc.) The cases are based on real, published business school cases, adapted by the instructor to suit the instructional process of this class. Attendance at all class meetings is required. Prereq: Admitted to the graduate BUAD, ECON, HCTM, HURE, LEDR or NURS program; or cons. of M.B.A. prog. dir.

BUAD 6116. Skills: Data Visualization. 1 cr. hr.
Students work on several data visualization applications involving reading and combining data from different sources, creating filters and hierarchies, working with visual graphics (e.g., bar charts, line charts, sparklines, box plots, heat maps, tree maps, scatterplot matrices, geographical maps, waterfall charts, bubble plots with animation, dashboards), and text visualization tools (word clouds, concept link diagrams). Prereq: Admitted to graduate BUAD, ECON, HCTM, HURE, LEDR or NURS program; or cons. of M.B.A. prog. dir.

BUAD 6117. Skills: Conducting an Ethical Audit. 1 cr. hr.
Designed to understand the dimensions of an ethics audit (the content) and develop competence in conducting an ethics audit of an organization (the process). The corporate scandals and the meltdown of the financial markets in the last decade have led to an erosion of trust in business. More than ever before it has become not just important but crucial for managers to be trained in skills that enable one to enhance the ethical nature of their organizations. In understanding the components of an ethics audit as well as in gaining competence in conducting an audit of the ethics of the organization, the students learn the various elements that constitute an ethical organization as well as how to potentially transform an organization into an ethical one. Prereq: Admitted to graduate BUAD, ECON, HCTM, HURE, LEDR or NURS program; or cons. of M.B.A. prog. dir.

BUAD 6118. Skills: Team Building. 1 cr. hr.
Learn how to develop and deliver high-powered and targeted presentations through a well-planned and organized process and through the use of the tools available in PowerPoint. Provides a basic framework for developing and delivering effective business presentations. As a part of this framework, learn tips for preparing the presentation, overcoming personal obstacles to public speaking, rehearsing and delivering the presentation and interacting with the audience. Workshop time is devoted to learning how to create effective presentations using Microsoft PowerPoint including the use of templates, the presentation master and slide master; development of figures, charts and diagrams; inserting information into presentations; sharing presentations with others for review and delivering presentations online or in person. Prereq: Admitted to the graduate BUAD, ECON, HCTM, HURE, LEDR or NURS program; or cons. of M.B.A. prog. dir.

BUAD 6931. Topics in Business Administration. 1-3 cr. hrs.
Topics vary. Prereq: Admitted to graduate BUAD, ECON, HCTM, HURE, LEDR or NURS; or cons. of M.B.A. prog. dir. Prerequisites vary depending on topic.
BUAD 6933. Exchange/University of Wisconsin-Milwaukee. 1-3 cr. hrs.
In conjunction with the exchange program established between Marquette University and the University of Wisconsin-Milwaukee, students may enroll in a pre-approved graduate level course at the school while enrolled in a master's program in the Graduate School of Management. The visiting school's course title and credits are identified by this exchange course. A maximum of two of these exchange courses for a maximum of 6 credits may be included in the required minimum course work for the student's program of study at Marquette University. This course extends beyond the Marquette term; students receive an IC grade initially. The IC will be changed to an A-F grade at the end if the course. Prereq: Cons. of M.B.A. prog. dir.

BUAD 6953. Seminar in Business. 1-3 cr. hrs.
Topics may vary. Prereq: Admitted to graduate BUAD, ECON, HCTM, HURE, LEDR or NURS program; or cons. of M.B.A. prog. dir. Prerequisites vary depending on topic.

BUAD 6986. Internship in Business Administration. 1-3 cr. hrs.
Directed work in business under the supervision of a working professional in a business environment. Requires faculty supervisor. A maximum of 3 credits of internship apply toward degree requirements. Prereq: Admitted to the MBA program; completion of 15 credits MBA program credits; and cons. of M.B.A. program director.

BUAD 6987. Internship Work Period. 0 cr. hrs.
Full-time directed work in accounting under the supervision of a working professional in the area of accounting. Requires faculty supervisor. Must have approved academic component and approved total work hours. Maximum of 3 credits of internship may apply toward degree requirements. (Full-time equivalency for financial aid, zero credits for academics/tuition.) SNC/UNC grade assessment. Prereq: Admitted to the graduate BUAD program; completed 15 credits in program; cons. of M.B.A. prog. dir. SNC/UNC grade assessment.

BUAD 6988. Internship Grading Period. 3 cr. hrs.
Grading for preceding internship work assignments is accomplished by review of Employer Evaluation Forms, Work Exit Reports and other materials as required during each term in school following a work period. (3 credits for academics/tuition; not financial aid eligible.) Prereq: BUAD 6987.

BUAD 6995. Independent Study in Business. 1-3 cr. hrs.
Prereq: Admitted to the graduate ACCO, BUAD, CCOM, ECON, HCTM, HURE, LEDR or NURS program; and cons. of M.B.A. prog. dir.
