

# Summer Studies

---

Summer Studies provides an opportunity for students to take needed course work, accelerate their programs of study and enroll in courses of personal interest. Summer Studies offers courses that are applicable to degrees in all colleges and schools of the university in two consecutive six-week sessions and several additional sessions, varying in length. The session dates are found in the University Academic Calendar ([http://www.marquette.edu/mucentral/registrar/cal\\_index.shtml](http://www.marquette.edu/mucentral/registrar/cal_index.shtml)).

Travel programs are also offered each summer and provide students with valuable study away experiences.
