Admissions

Admission Requirements

**Freshman Admission:** Freshman applicants to the Opus College of Engineering are expected to fulfill the admission requirements listed in the university section of this bulletin.

**Transfer Student (Advanced Standing) Admission:** Applicants who have been enrolled or registered in an institution of higher learning since high school graduation, including Marquette University, need a minimum grade average of 3.000 (based on a four-point system) in previous college work as well as a minimum grade average of 3.000 (based on a four-point system) in mathematics and science course work as a minimum for consideration. Students should complete the equivalent of MATH 1450 Calculus 1, as well as one or more of the following science courses: BIOL 1001 General Biology 1, CHEM 1001 General Chemistry 1 and/or PHYS 1003 General Physics with Introductory Calculus 1. An applicant's entire academic performance is evaluated in making an admission decision.

Articulation Agreements

The Opus College of Engineering maintains formal agreements with various colleges for student transfer into selected engineering degree programs and for the transfer of advanced standing credits. The following institutions have engaged the Opus College of Engineering to develop a structure for articulation agreements.
